OUR B2B PORTFOLIO

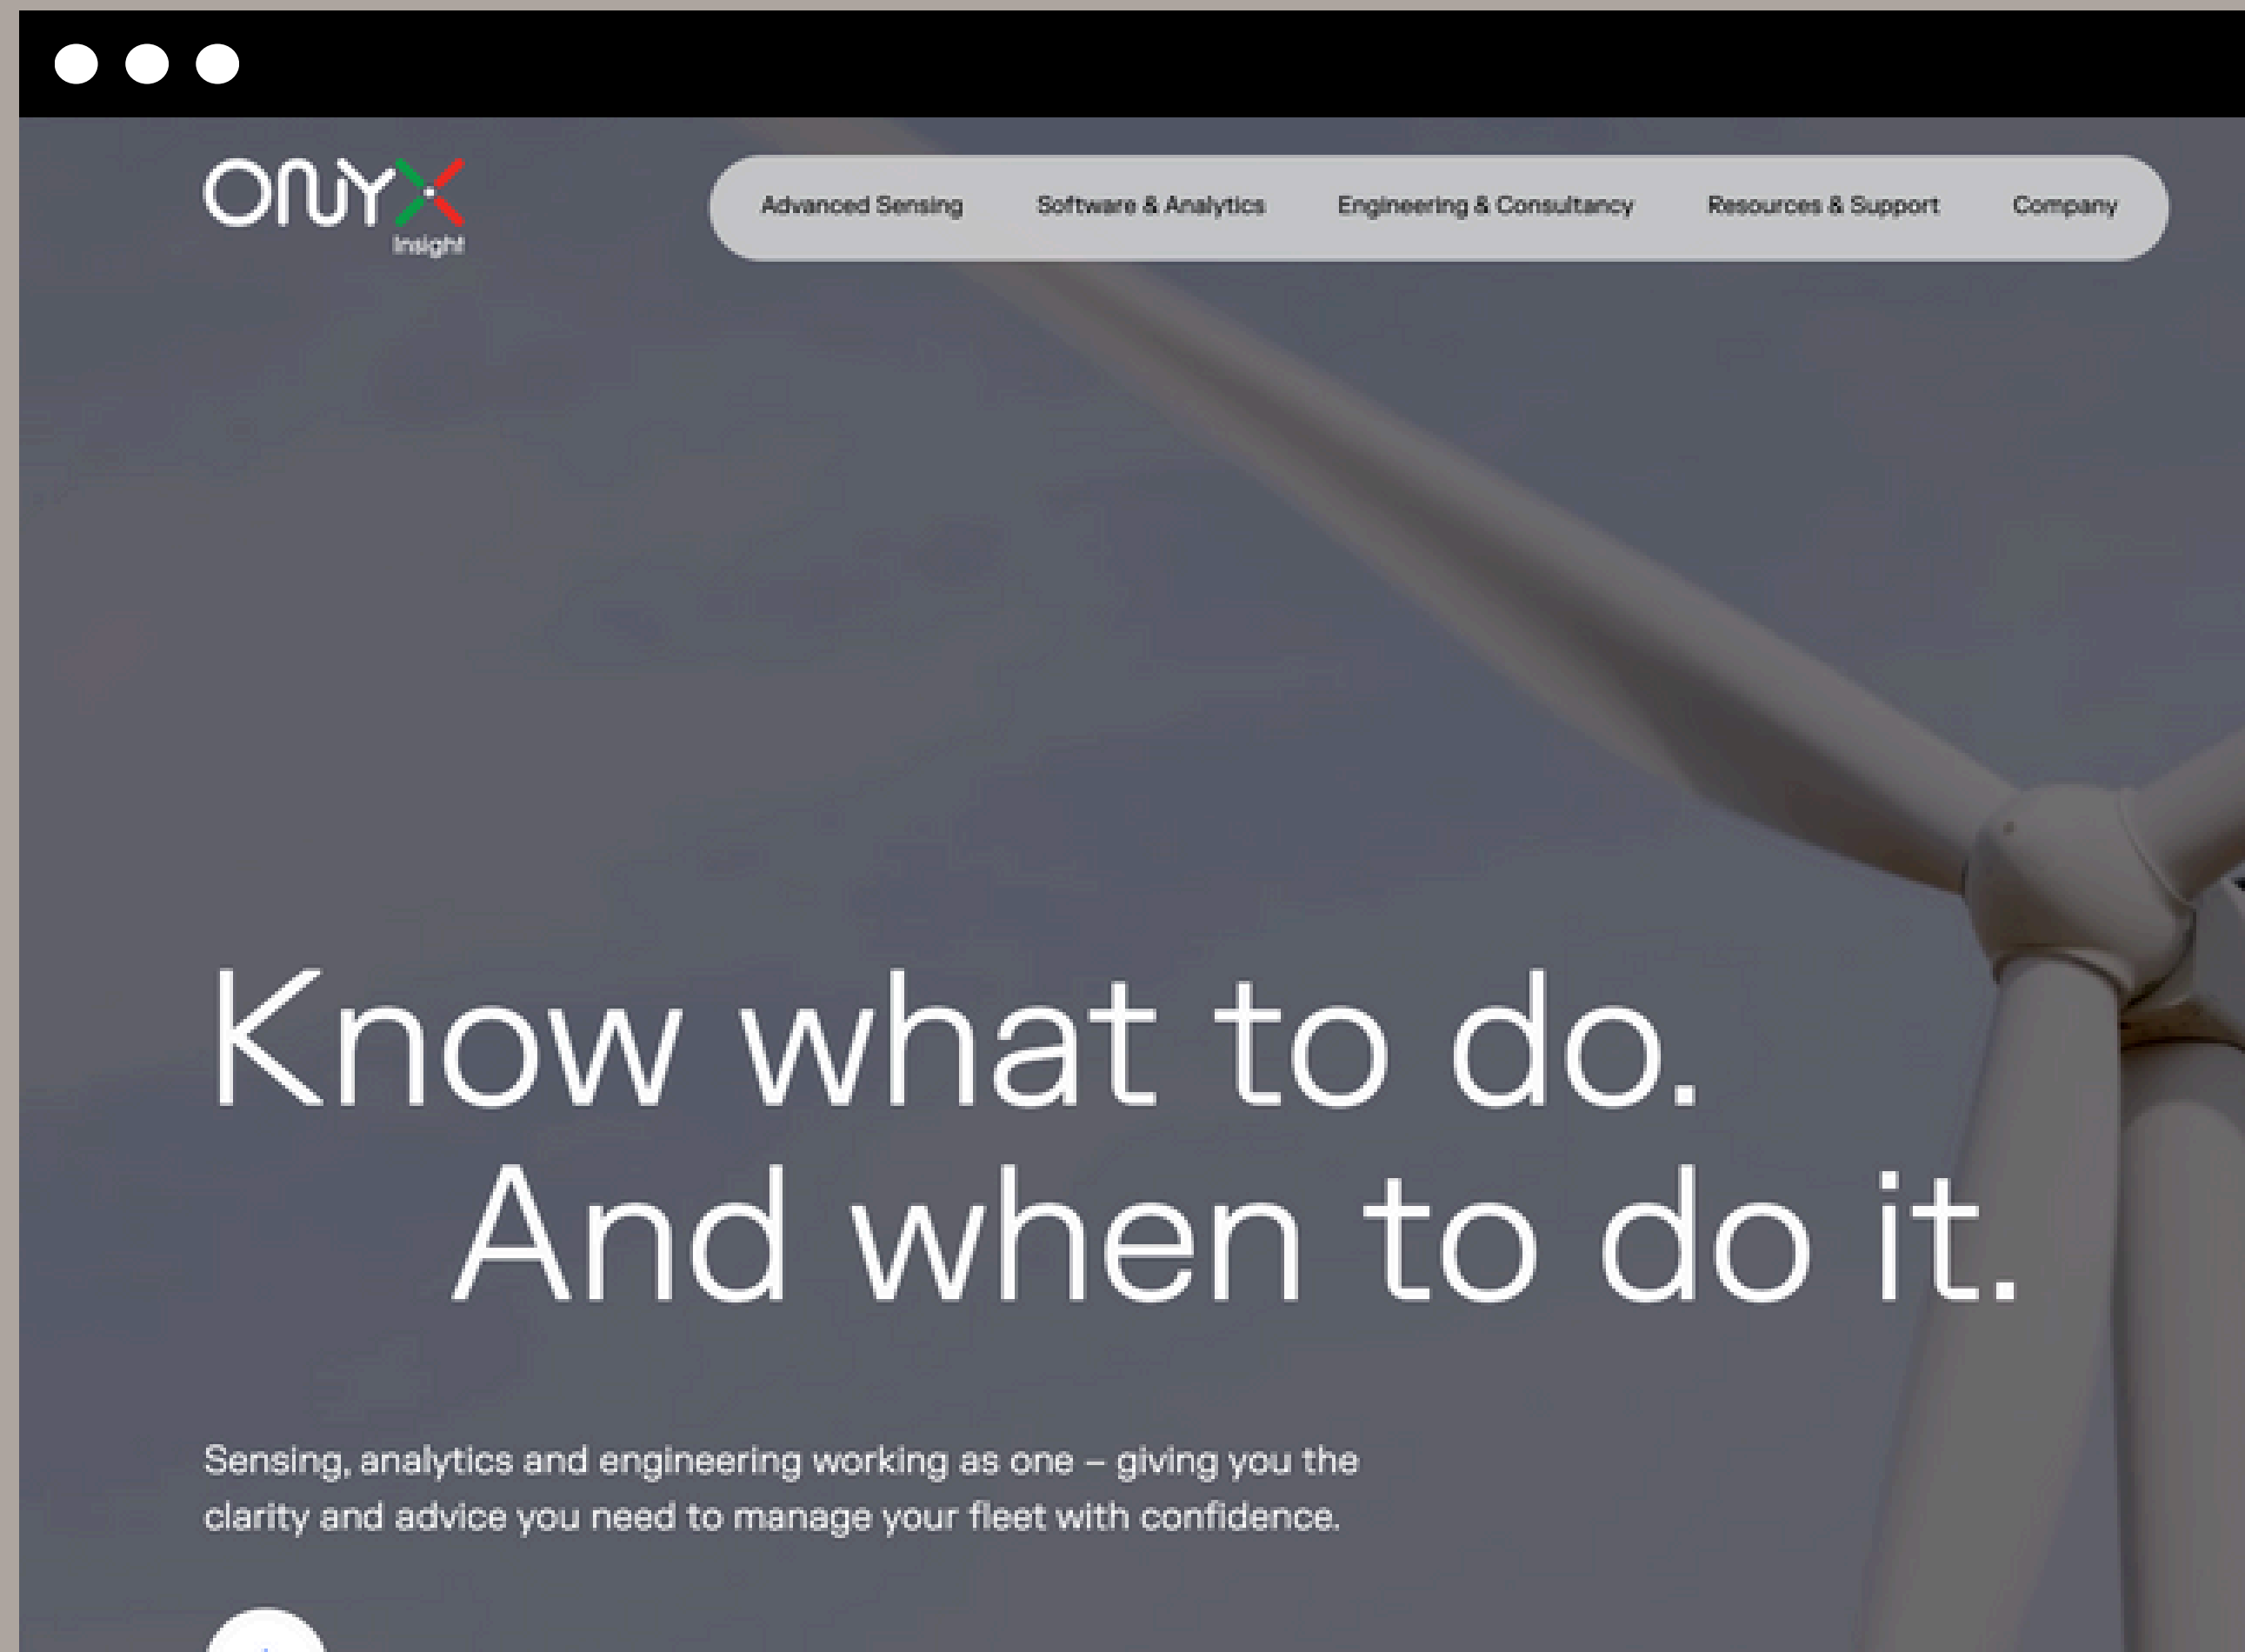

ONYX INSIGHT

An international company that excels in condition monitoring software and hardware for the wind turbine industry.

Our brief was to create a website that stood out from their competitors, positioned them as a market leader, and is optimised for SEO and conversions.

<https://onyxinsight.com/>

BIGFORK

LIVE TECHNOLOGY

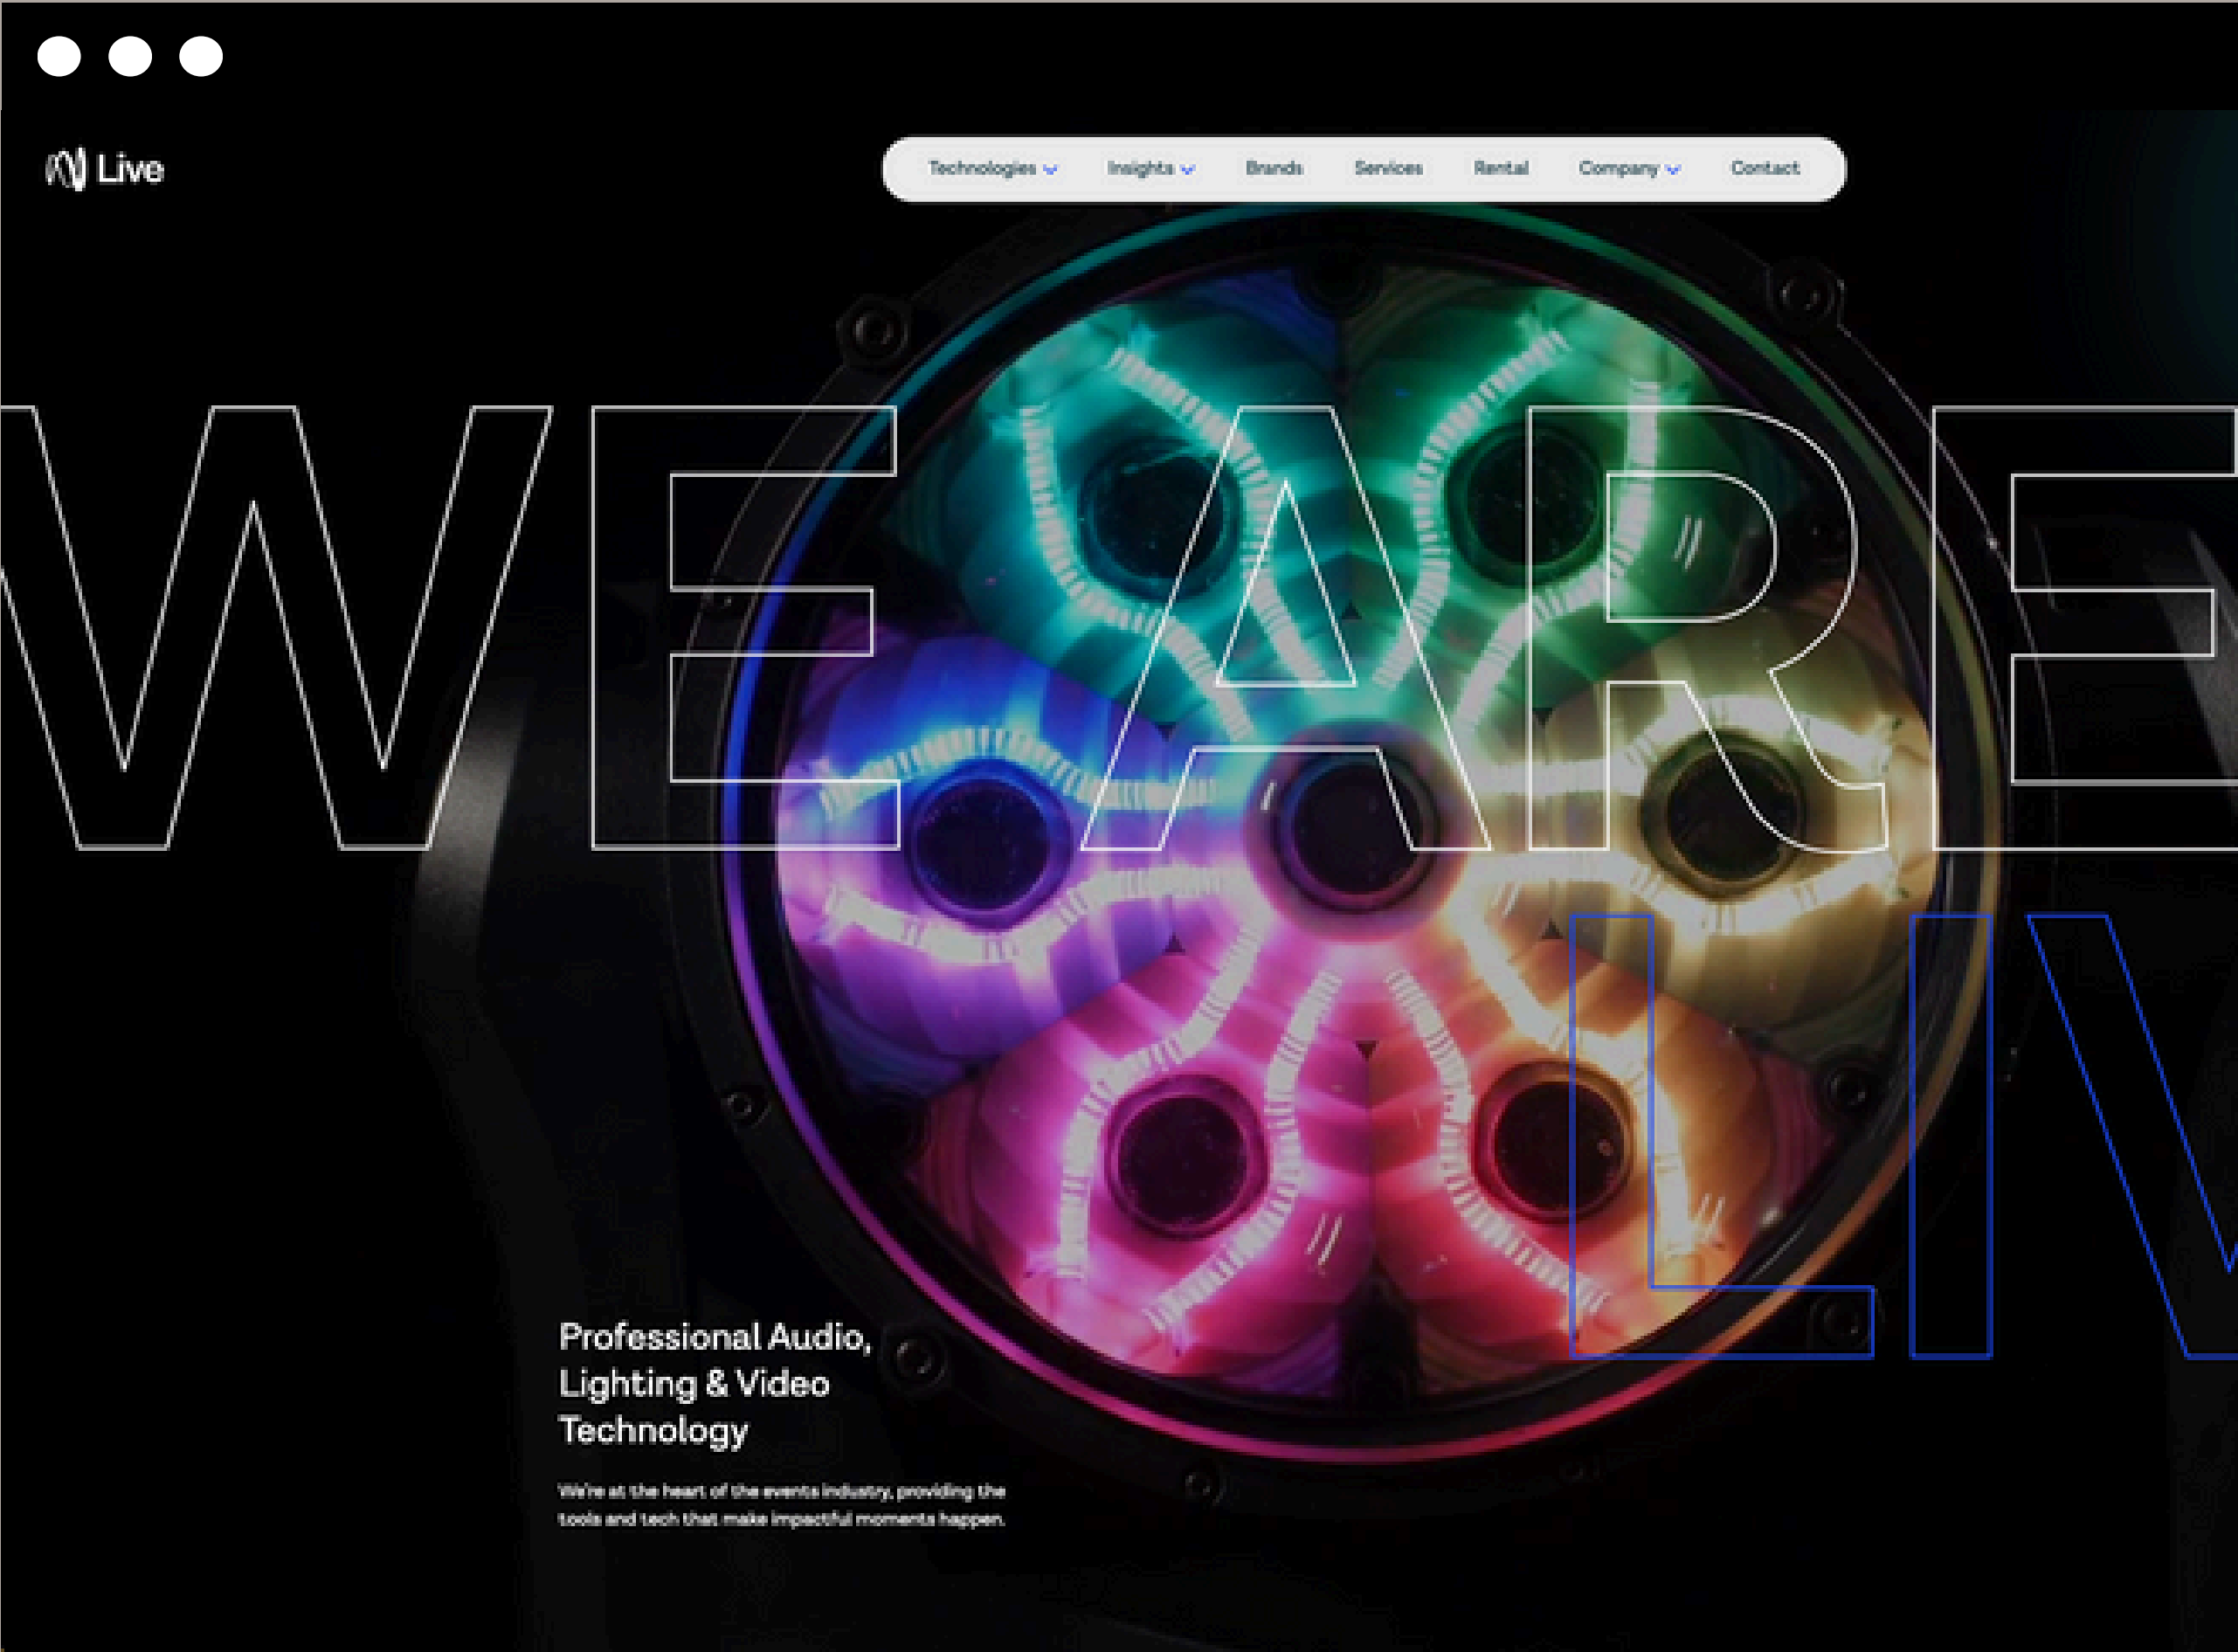

As specialists in the audio and lighting for events sector, Live needed a website that really stood out.

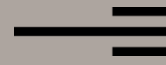

We created a website that used video, scrolling and roll over effects for the wow factor.

This was backed up with easy user journeys for visitors to browse Live's content.

live-technology.co.uk

BIGFORK

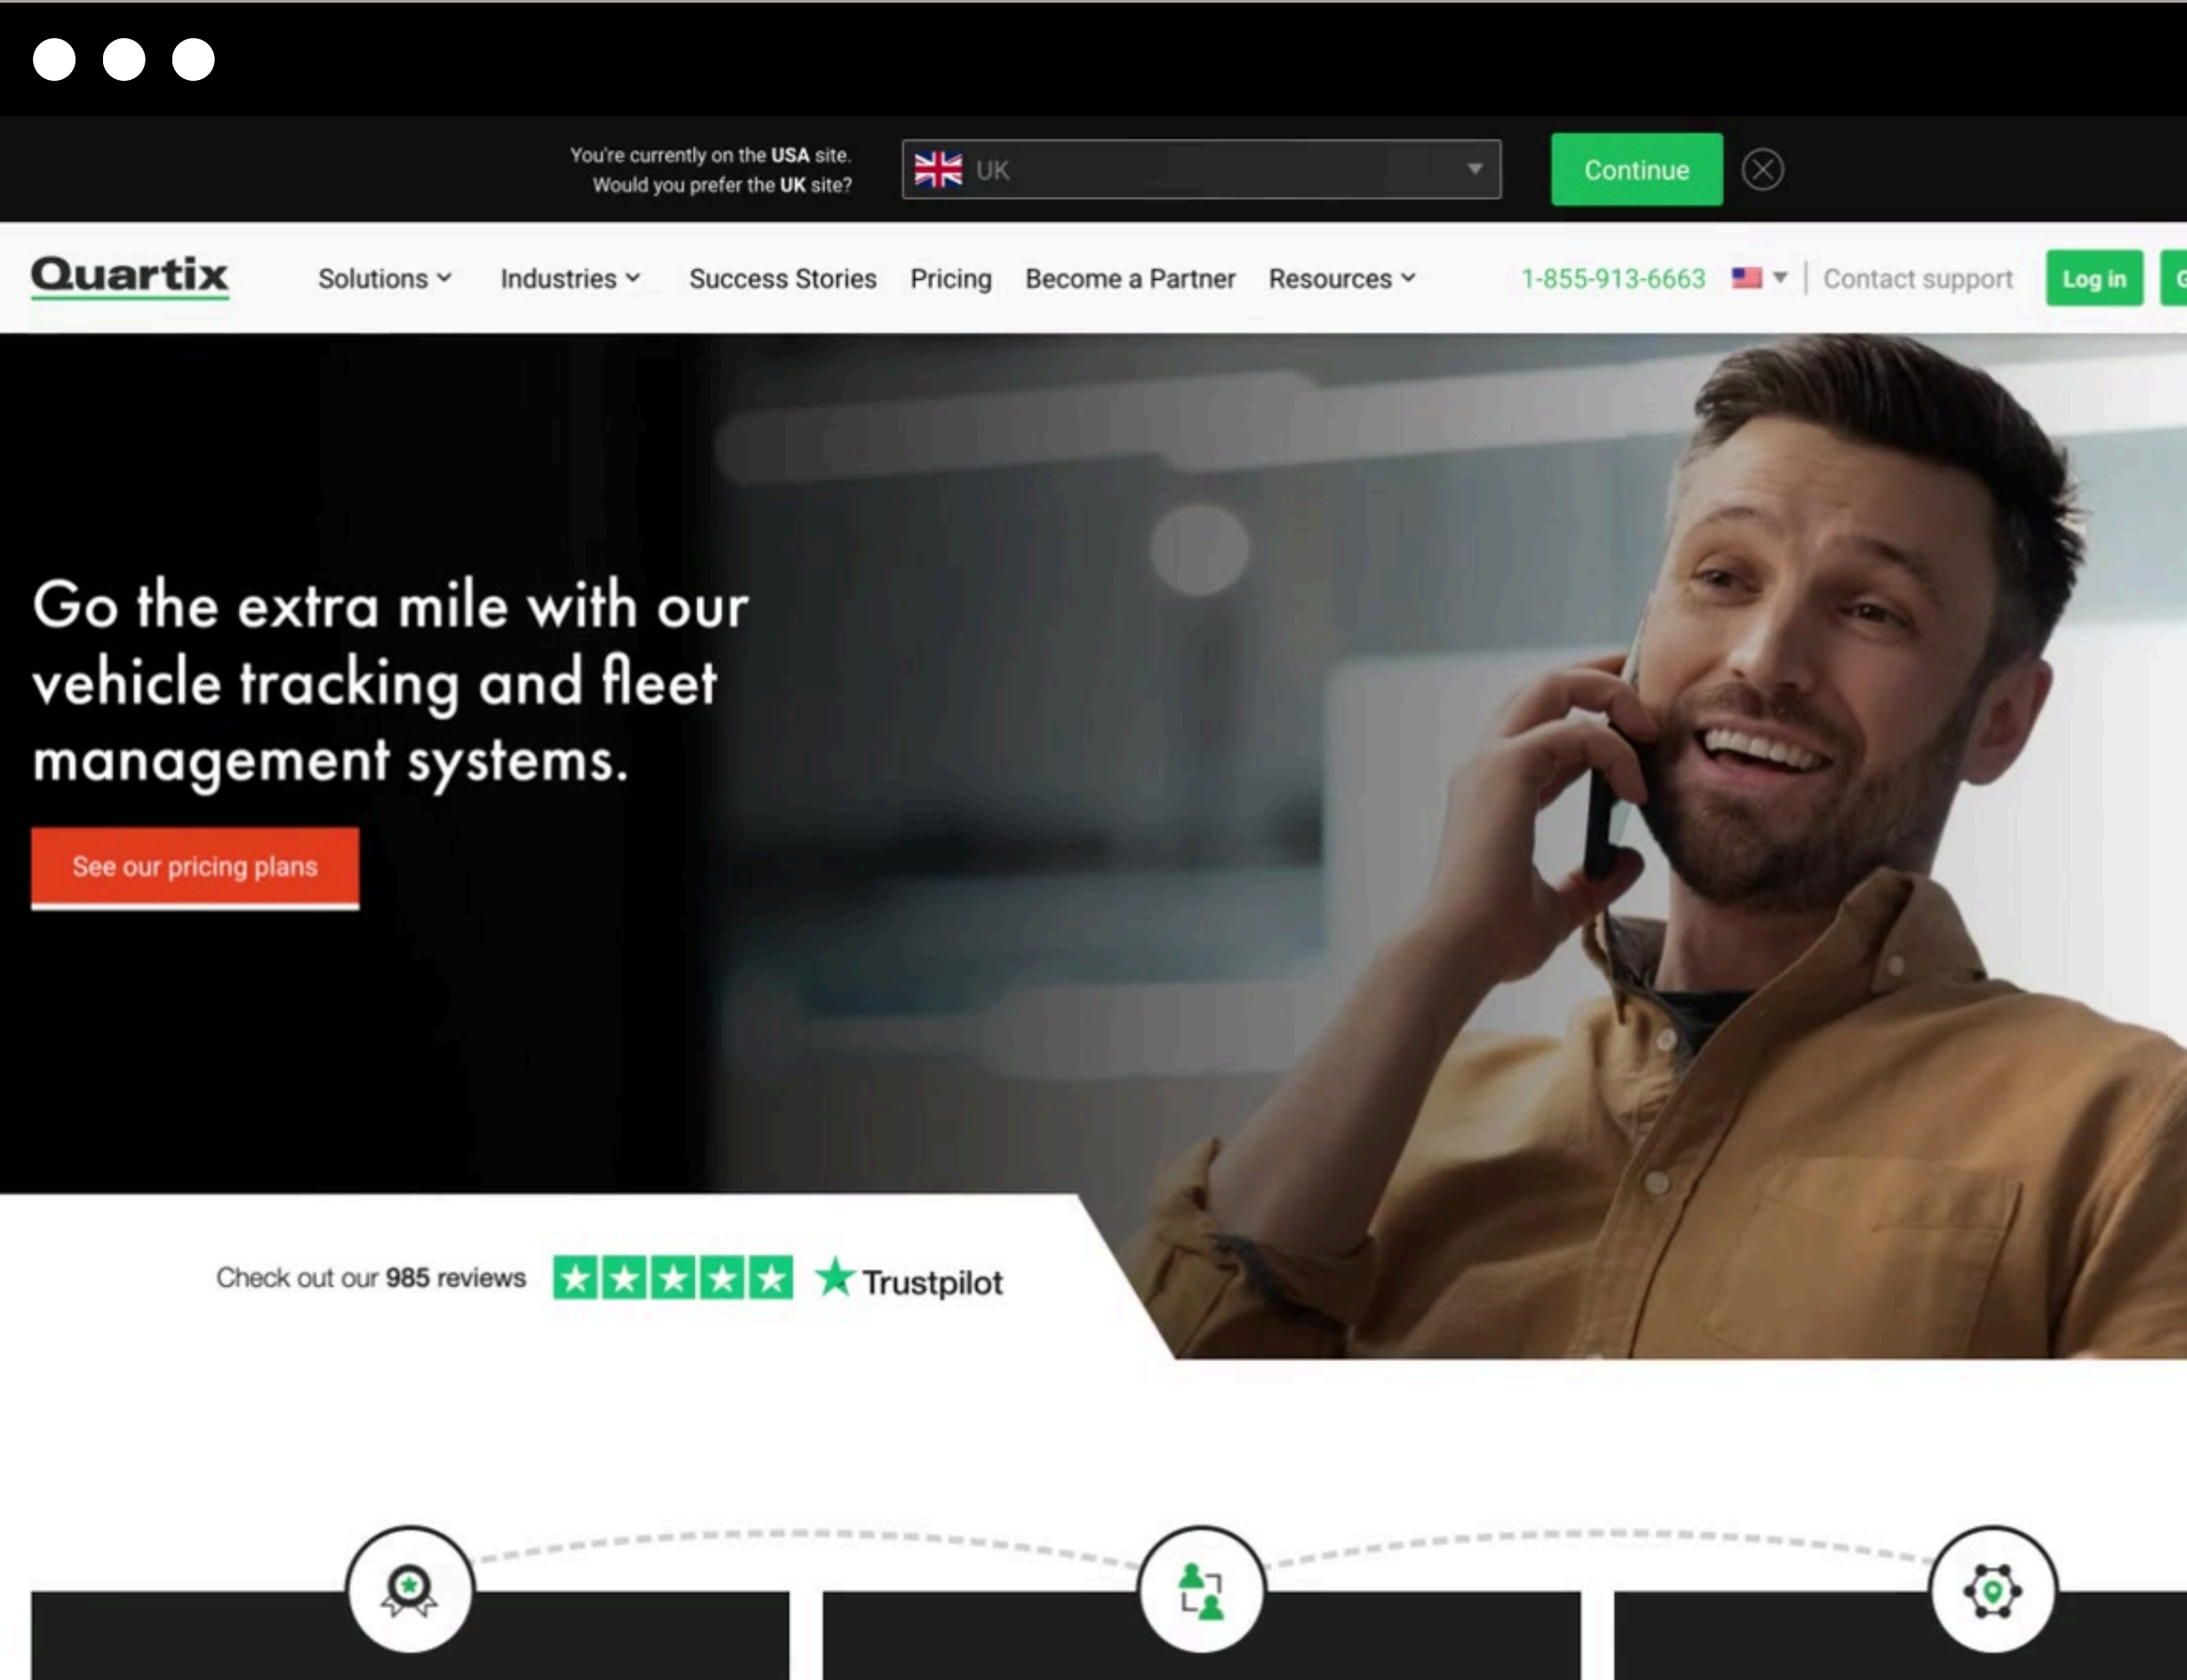

300% INCREASE IN CONVERSIONS FOR QUARTIX

Quartix are a SaaS company offering vehicle tracking software . Their website had good traffic, but conversion rates were low.

Bigfork’s website consultancy and design expertise helped Quartix increase conversions by 300%.

[Read the full case study.](#)

BIGFORK

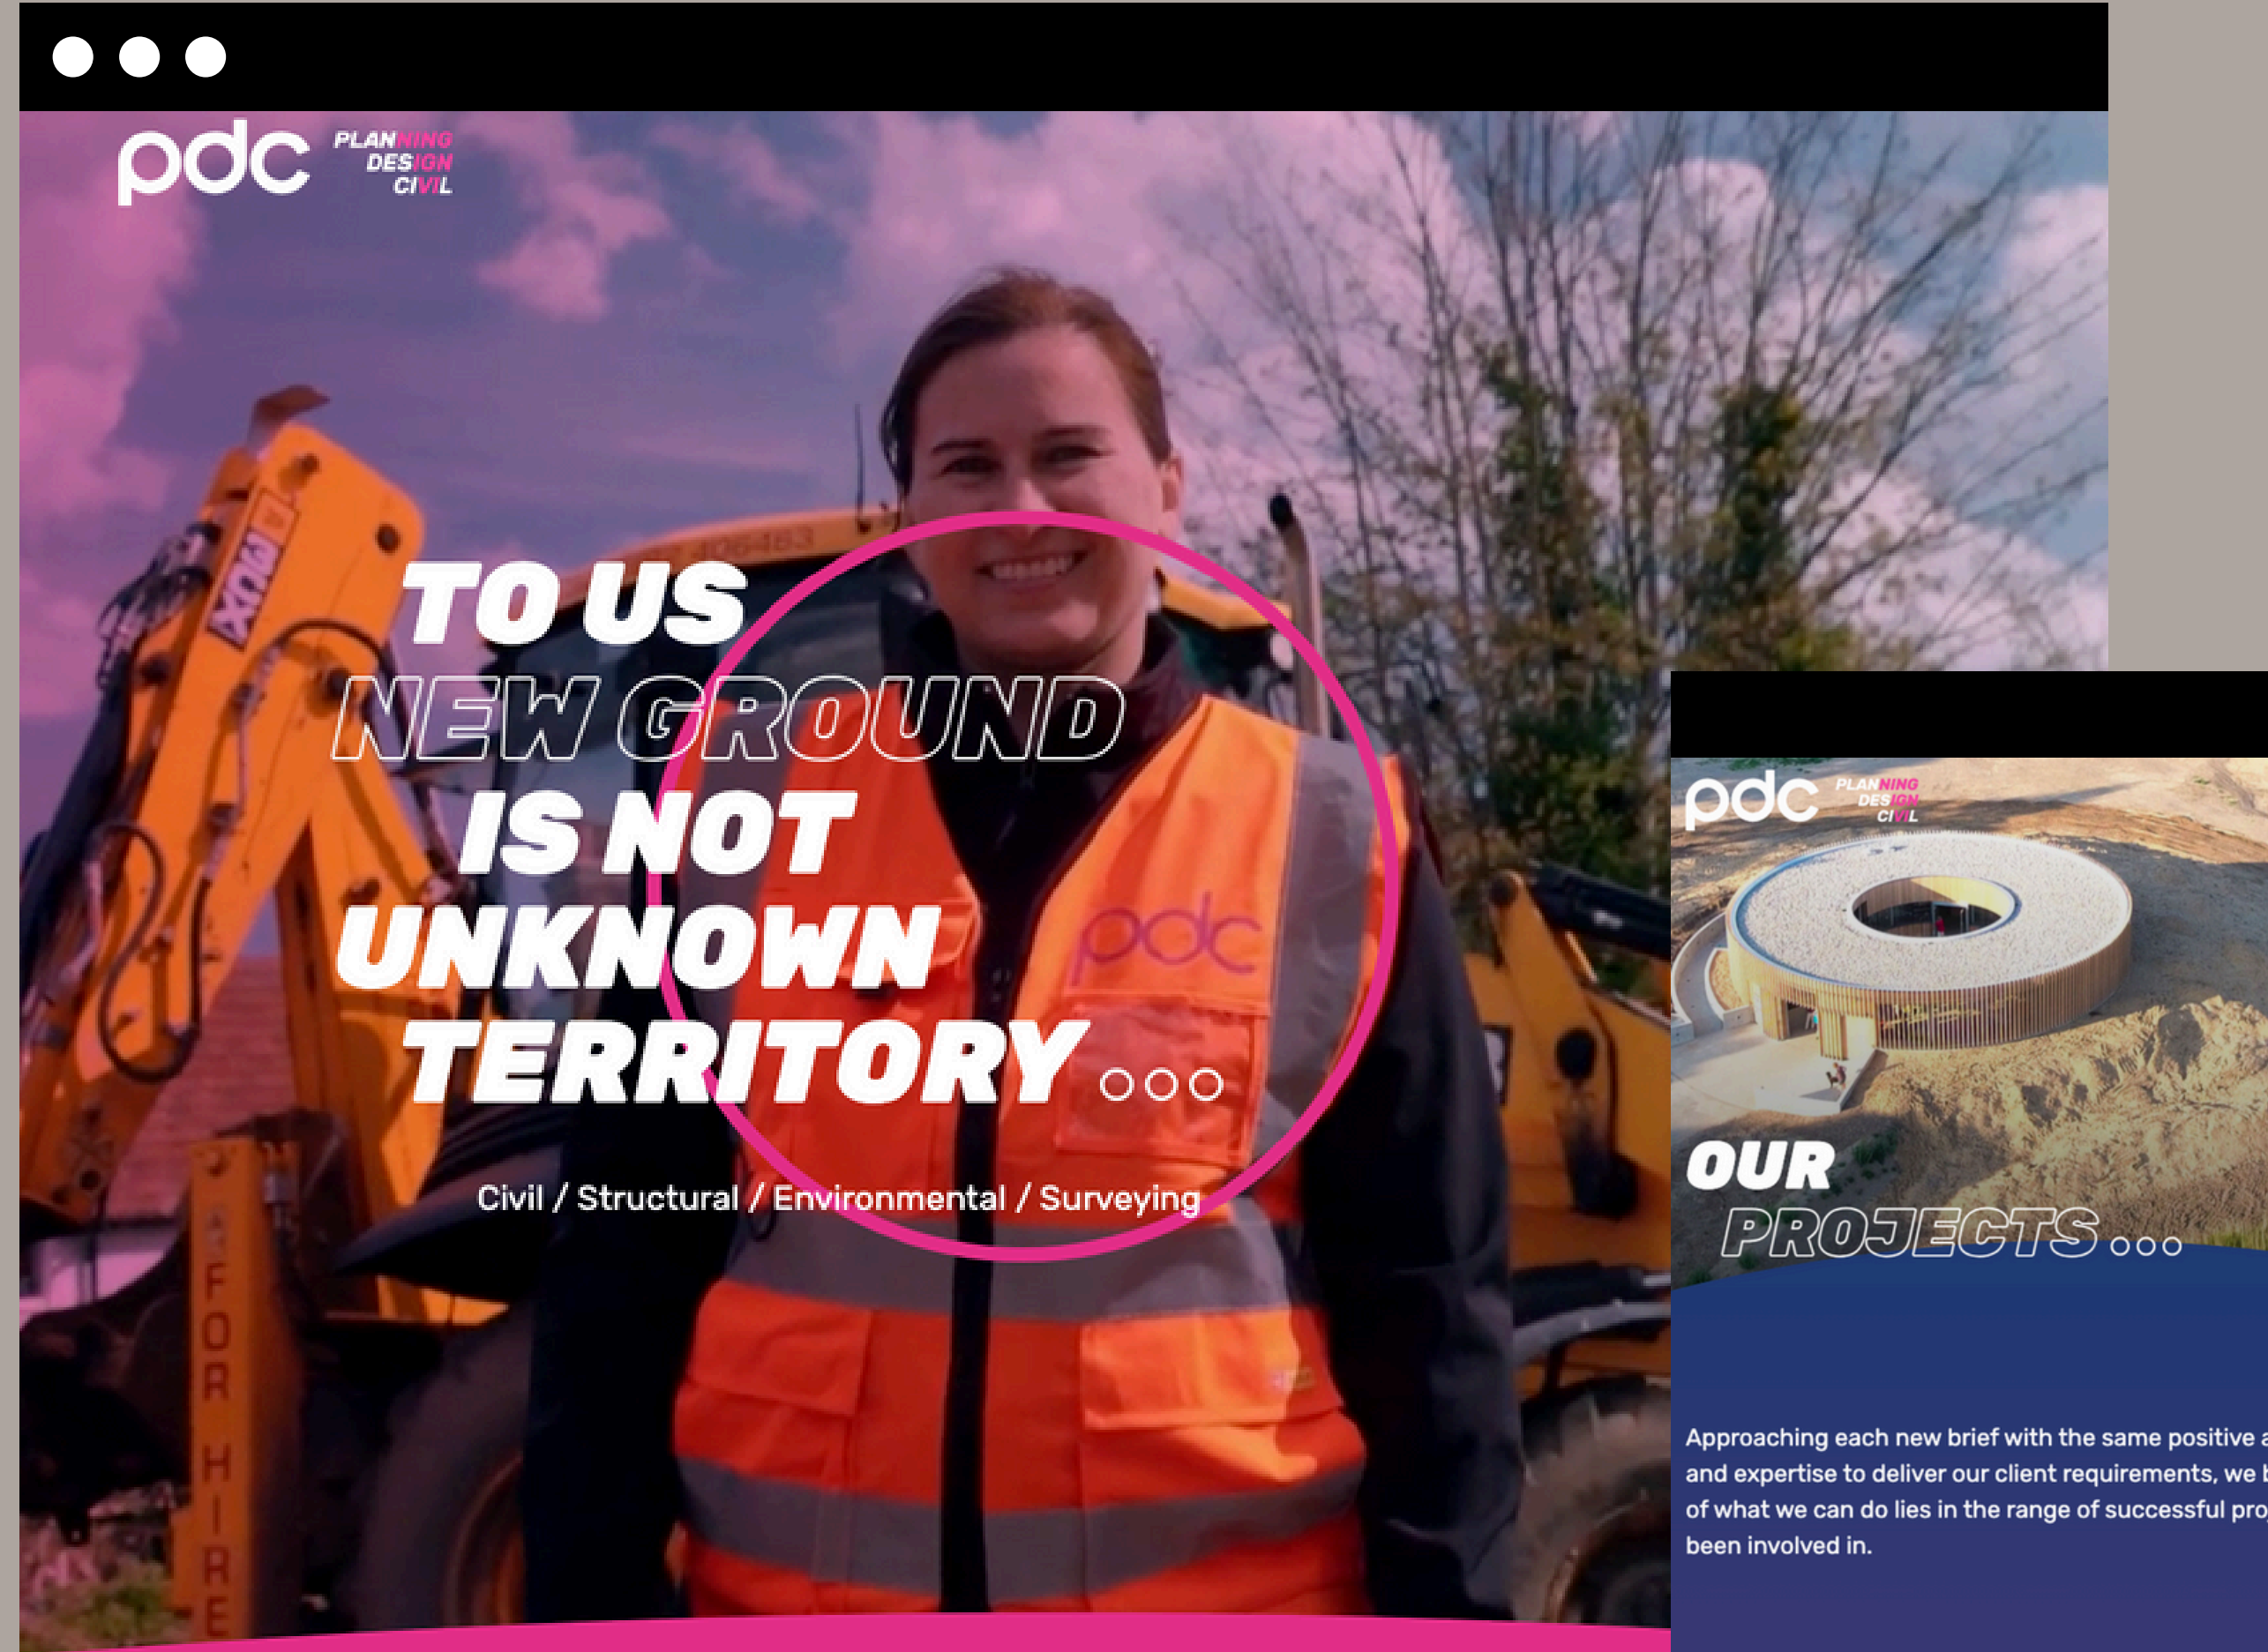

PDC ENGINEERING

We created a new website for this civil engineering company that focused on its most important asset - its people.

We produced a dynamic use experience which included scrolling and roll over effects to increase engagement.

www.pdcengineering.co.uk/

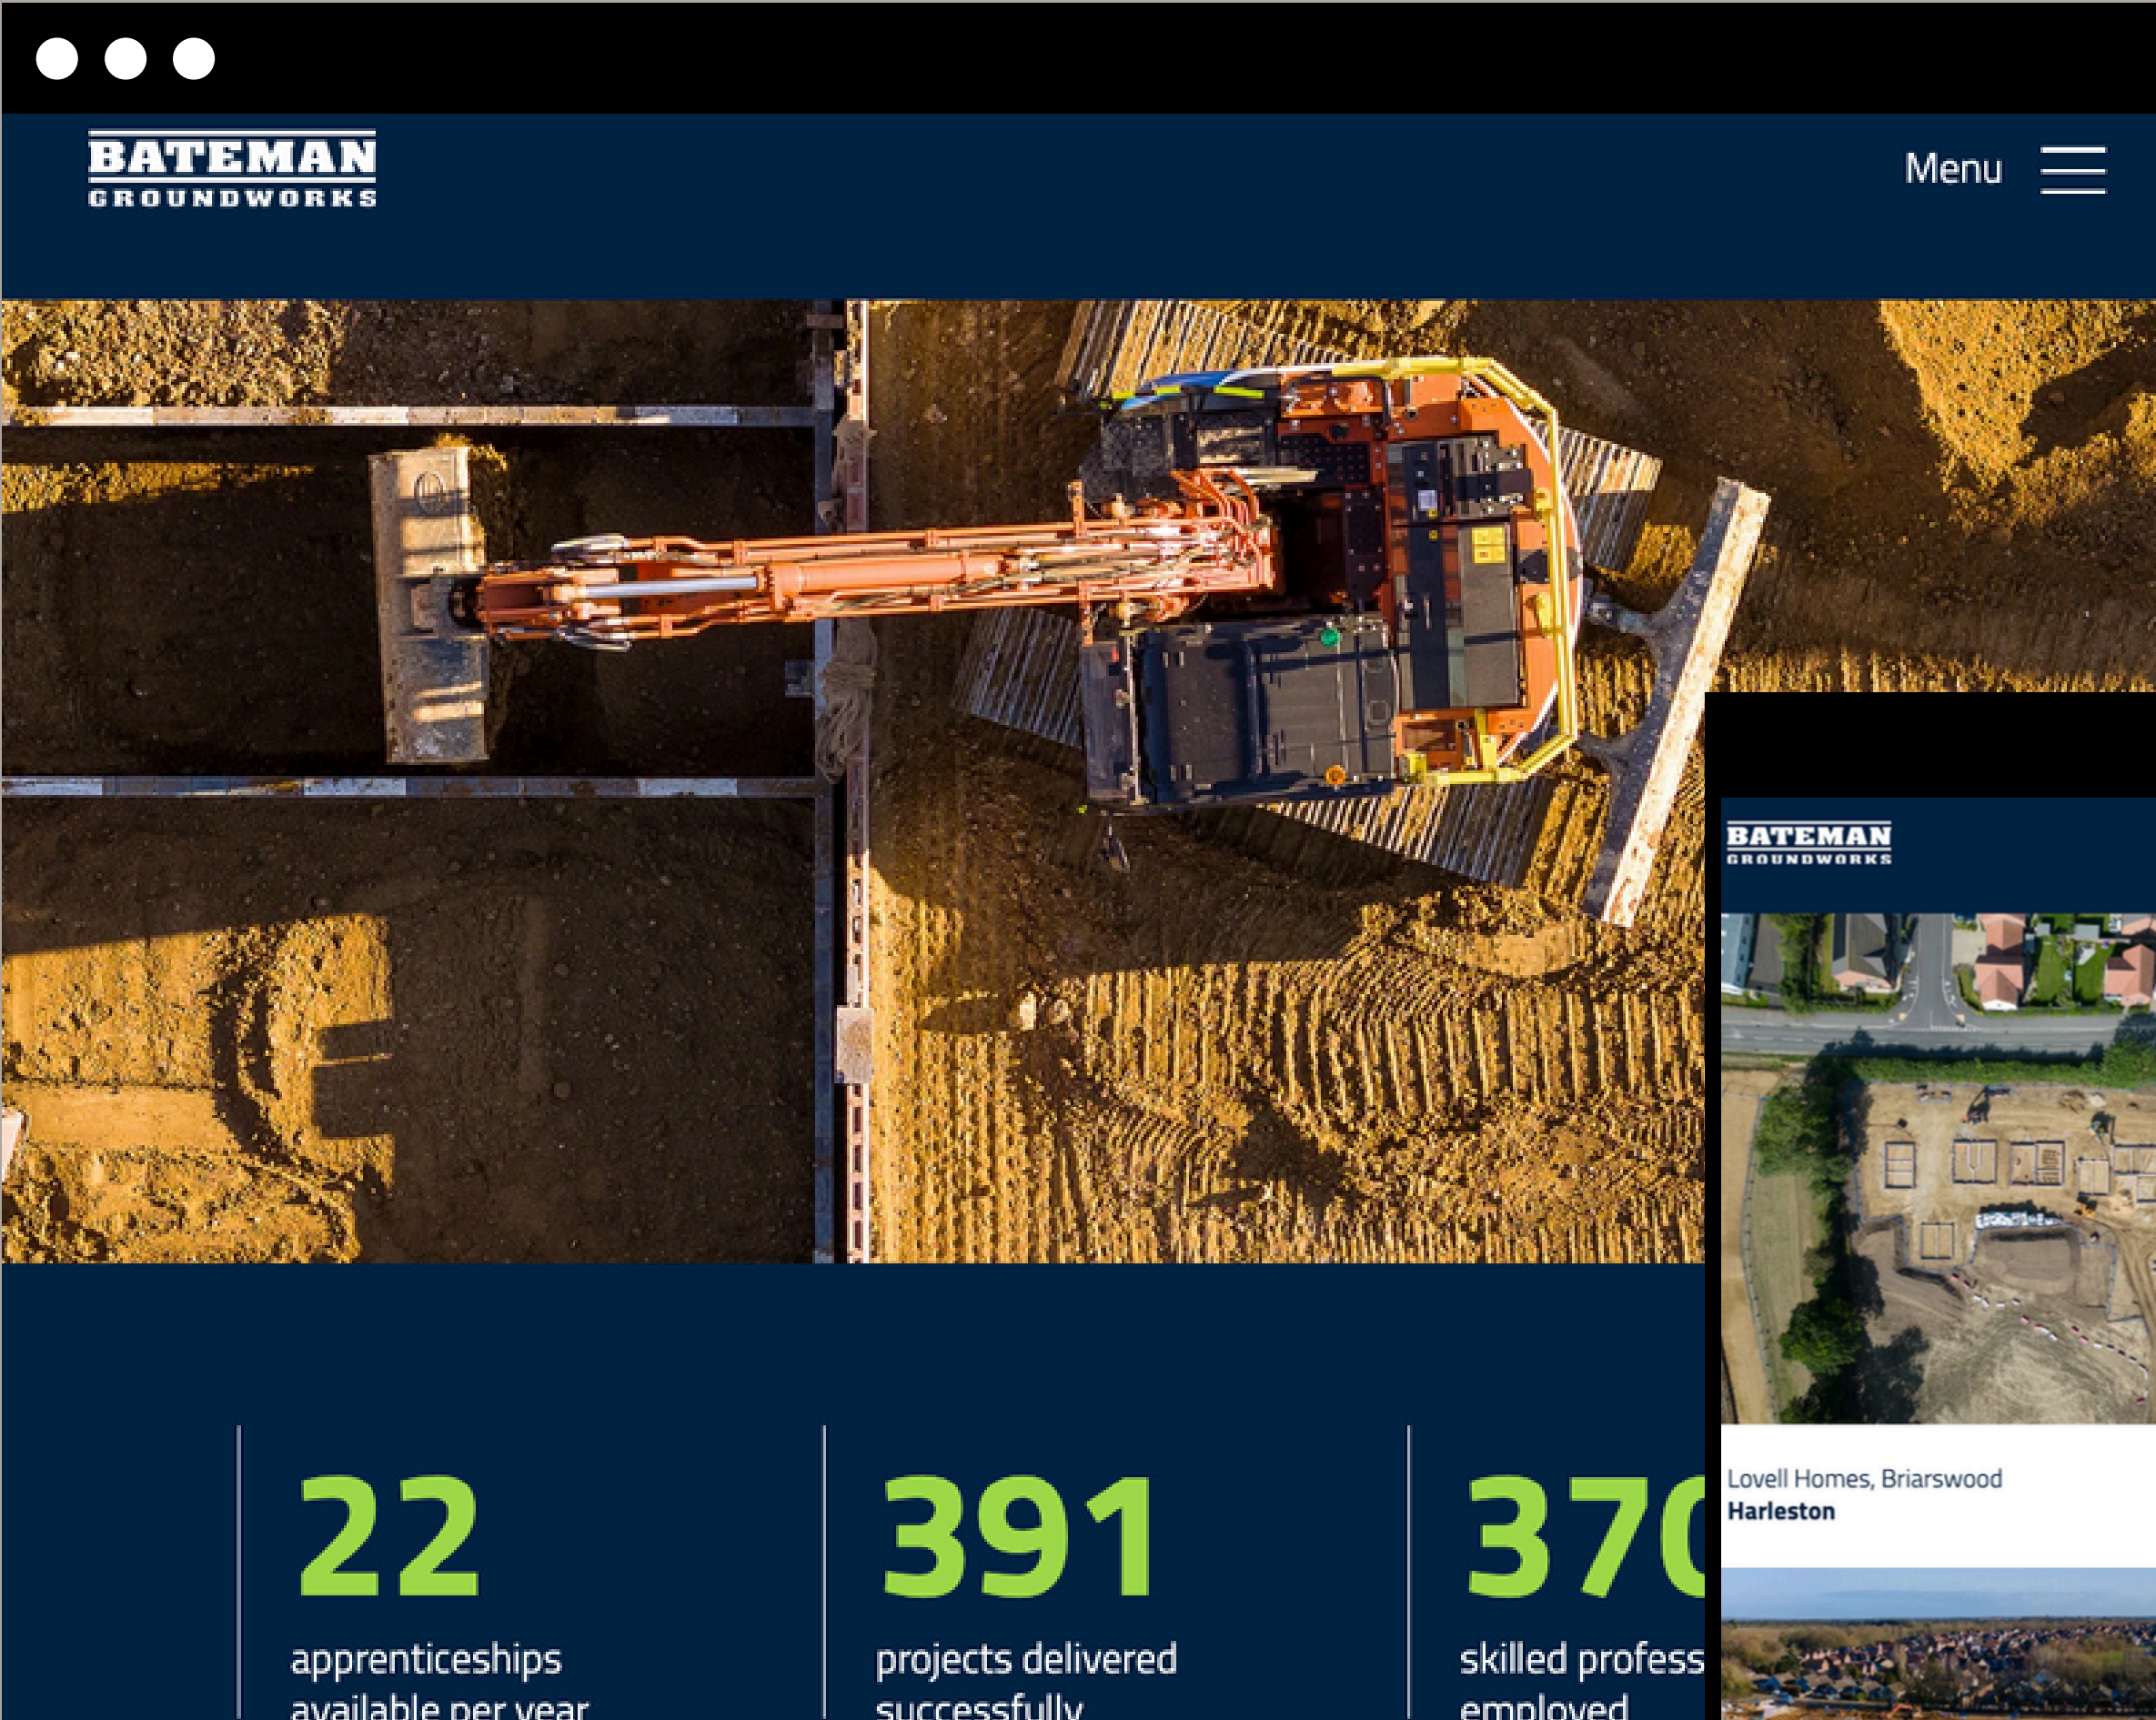

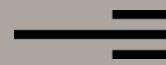

BATEMAN GROUNDWORKS

This construction company needed their new website to position them as a highly professional company for new customers and new recruits.

<https://batemangroundworks.co.uk/>

BIGFORK

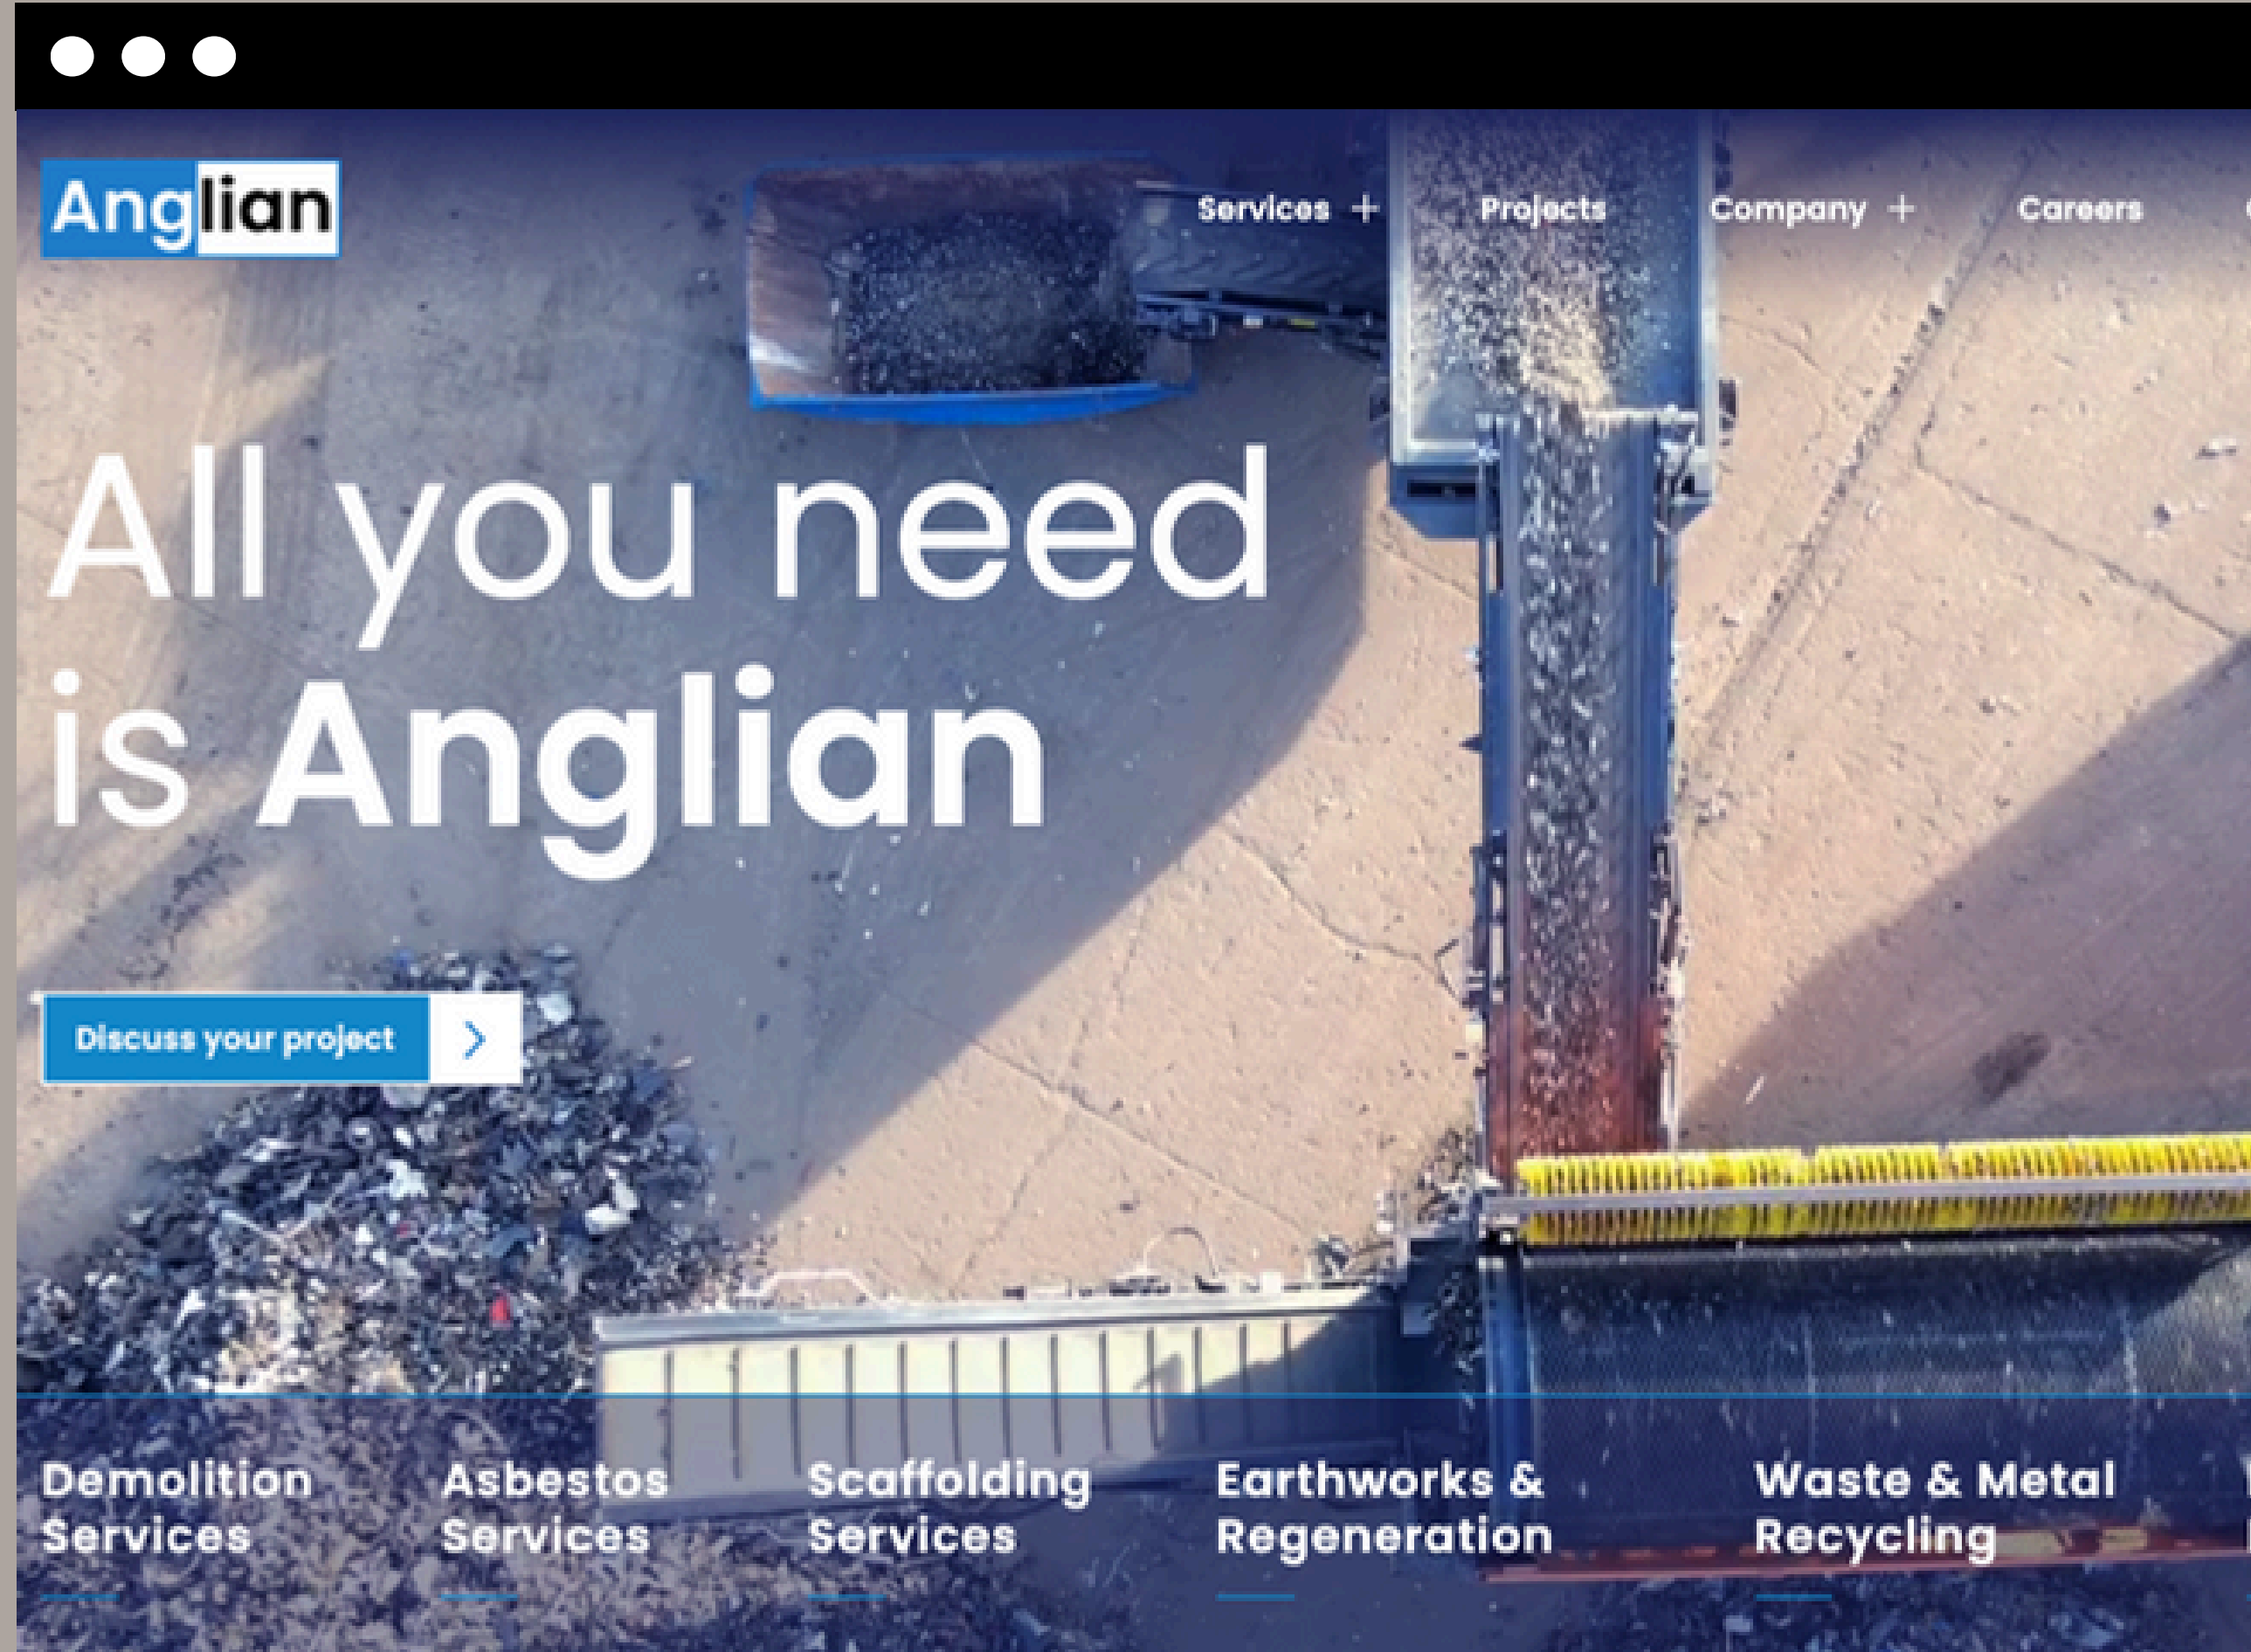

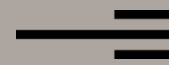

ANGLIAN GROUP

Our brief was to merge two websites into one, and create a corporate website that would position the Anglian Group as a professional construction services partner.

www.angliandemo.co.uk

BIGFORK

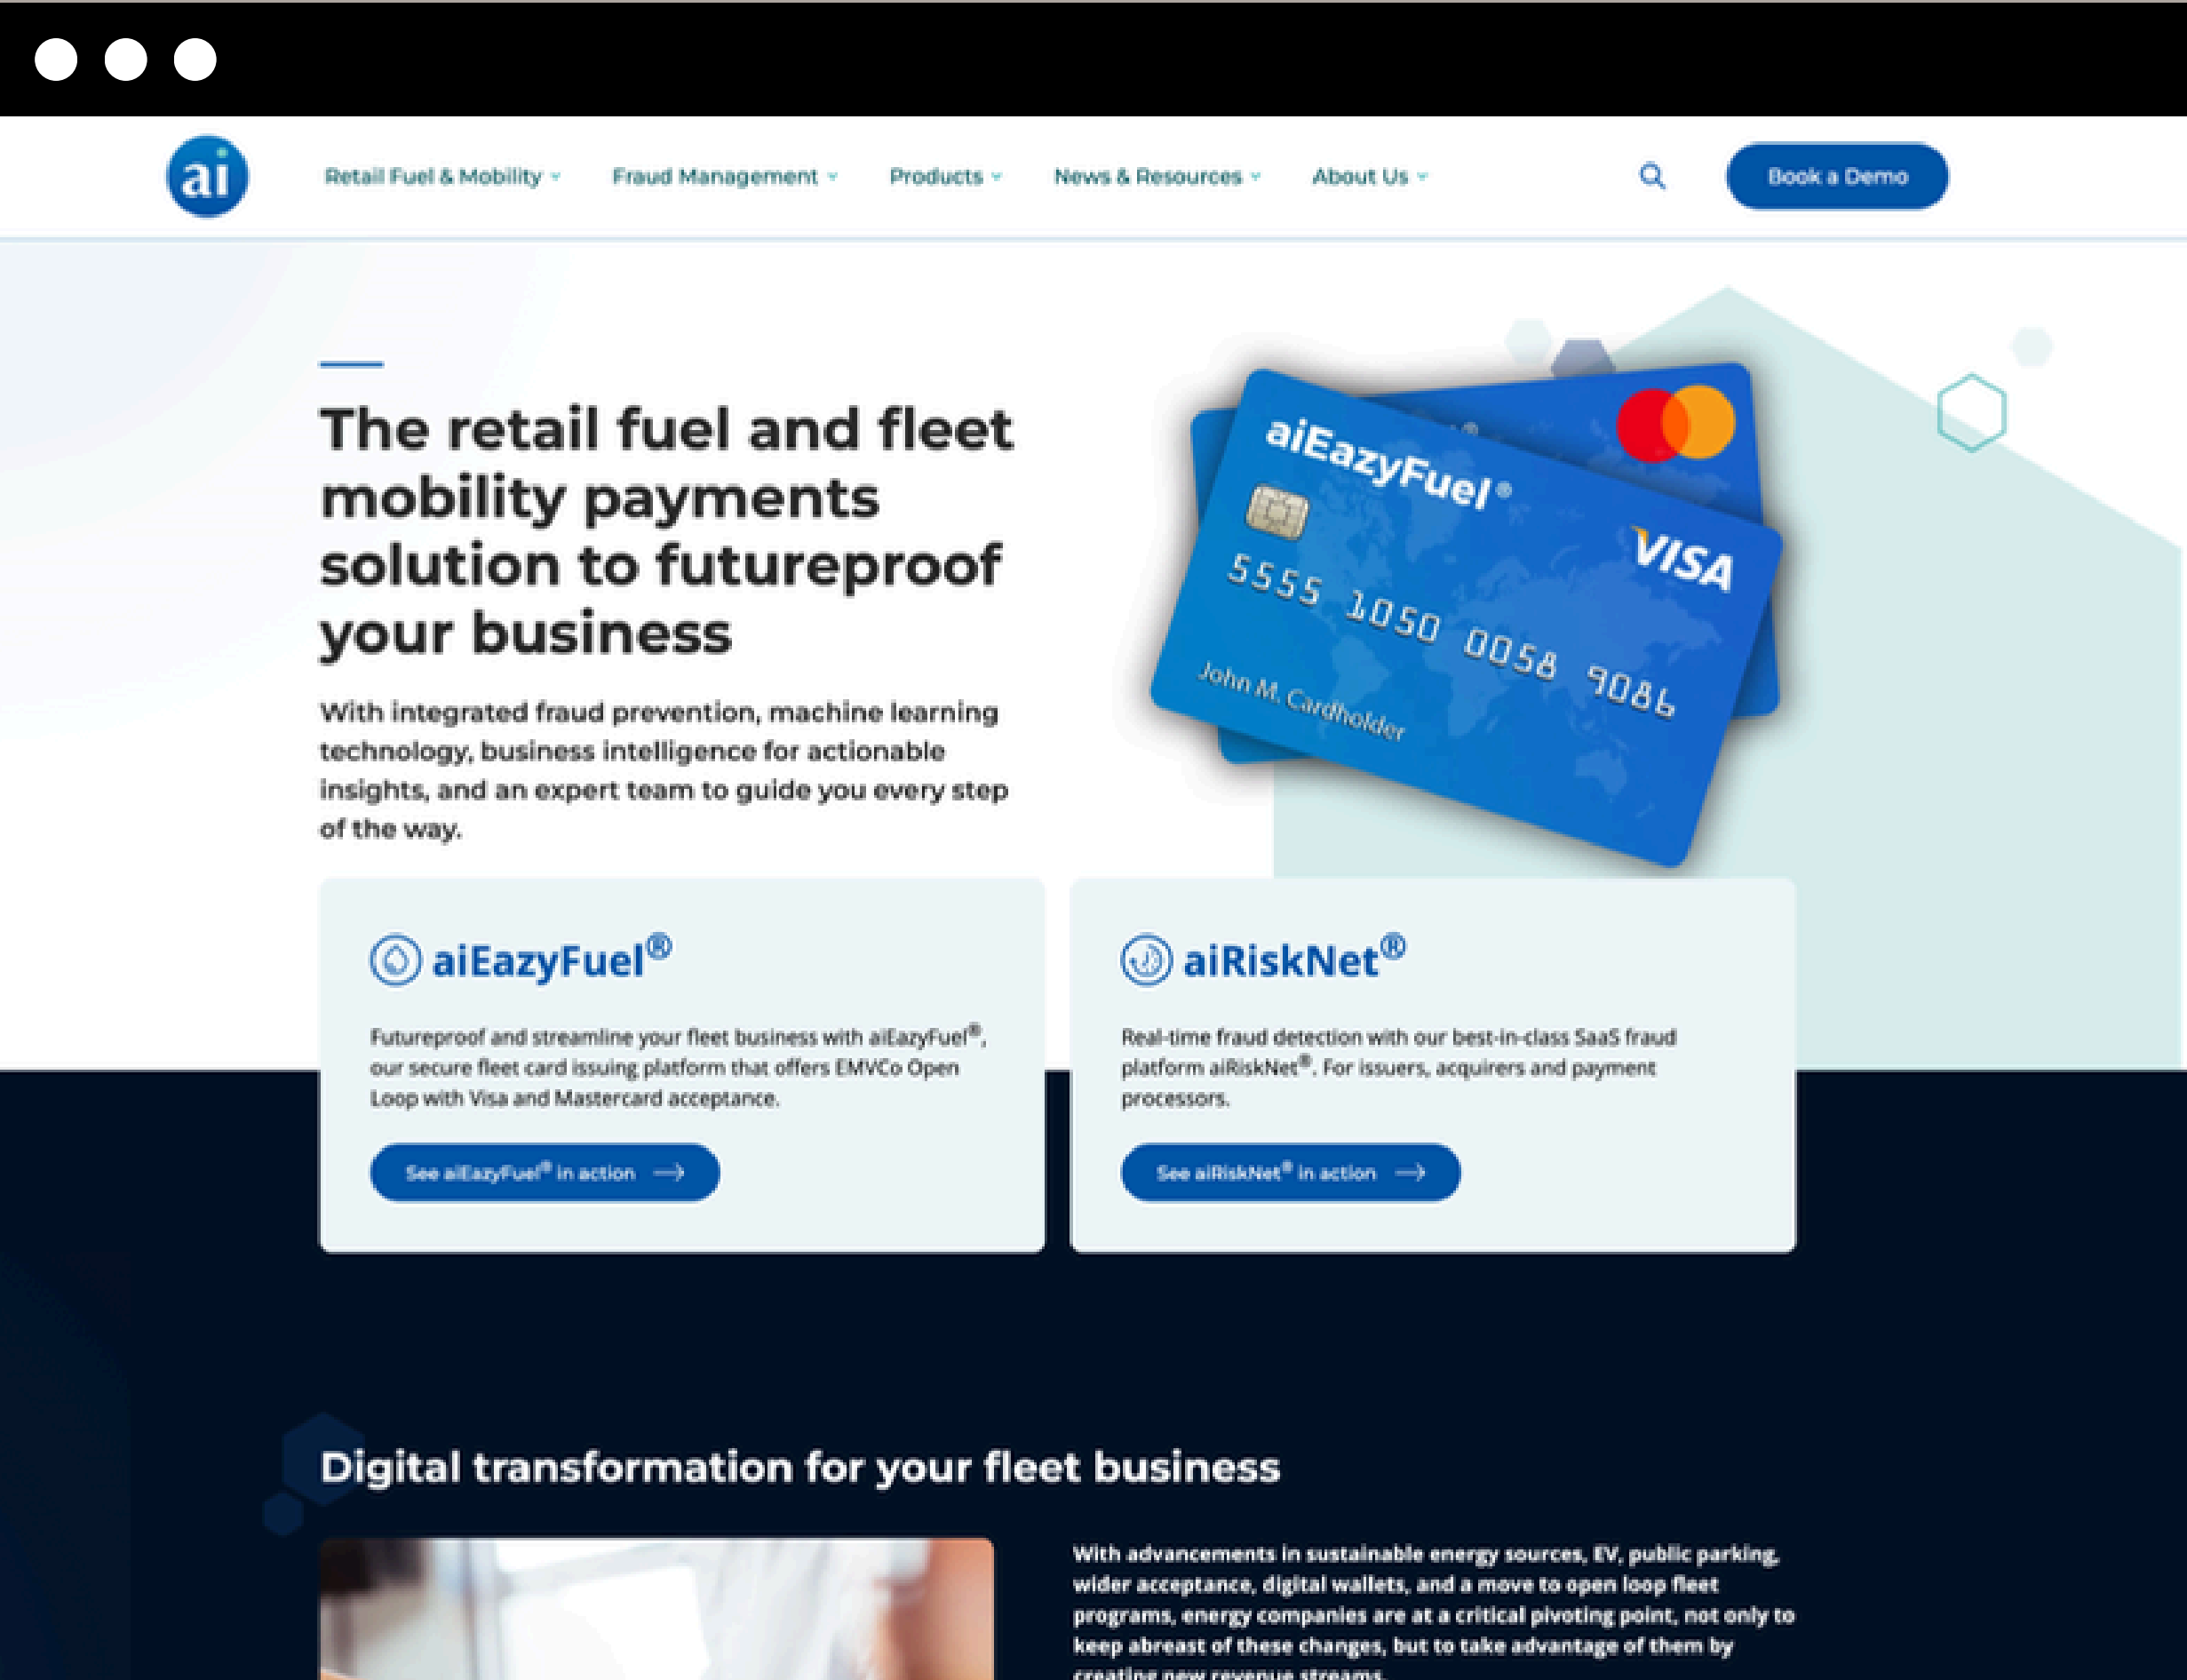

AI CORPORATION

A tech company specialising in fuel payments and fraud prevention for fleets.

We designed a new website focused on increasing lead gen through clear features and benefits, conversion optimised design and SEO.

www.aicorporation.com/

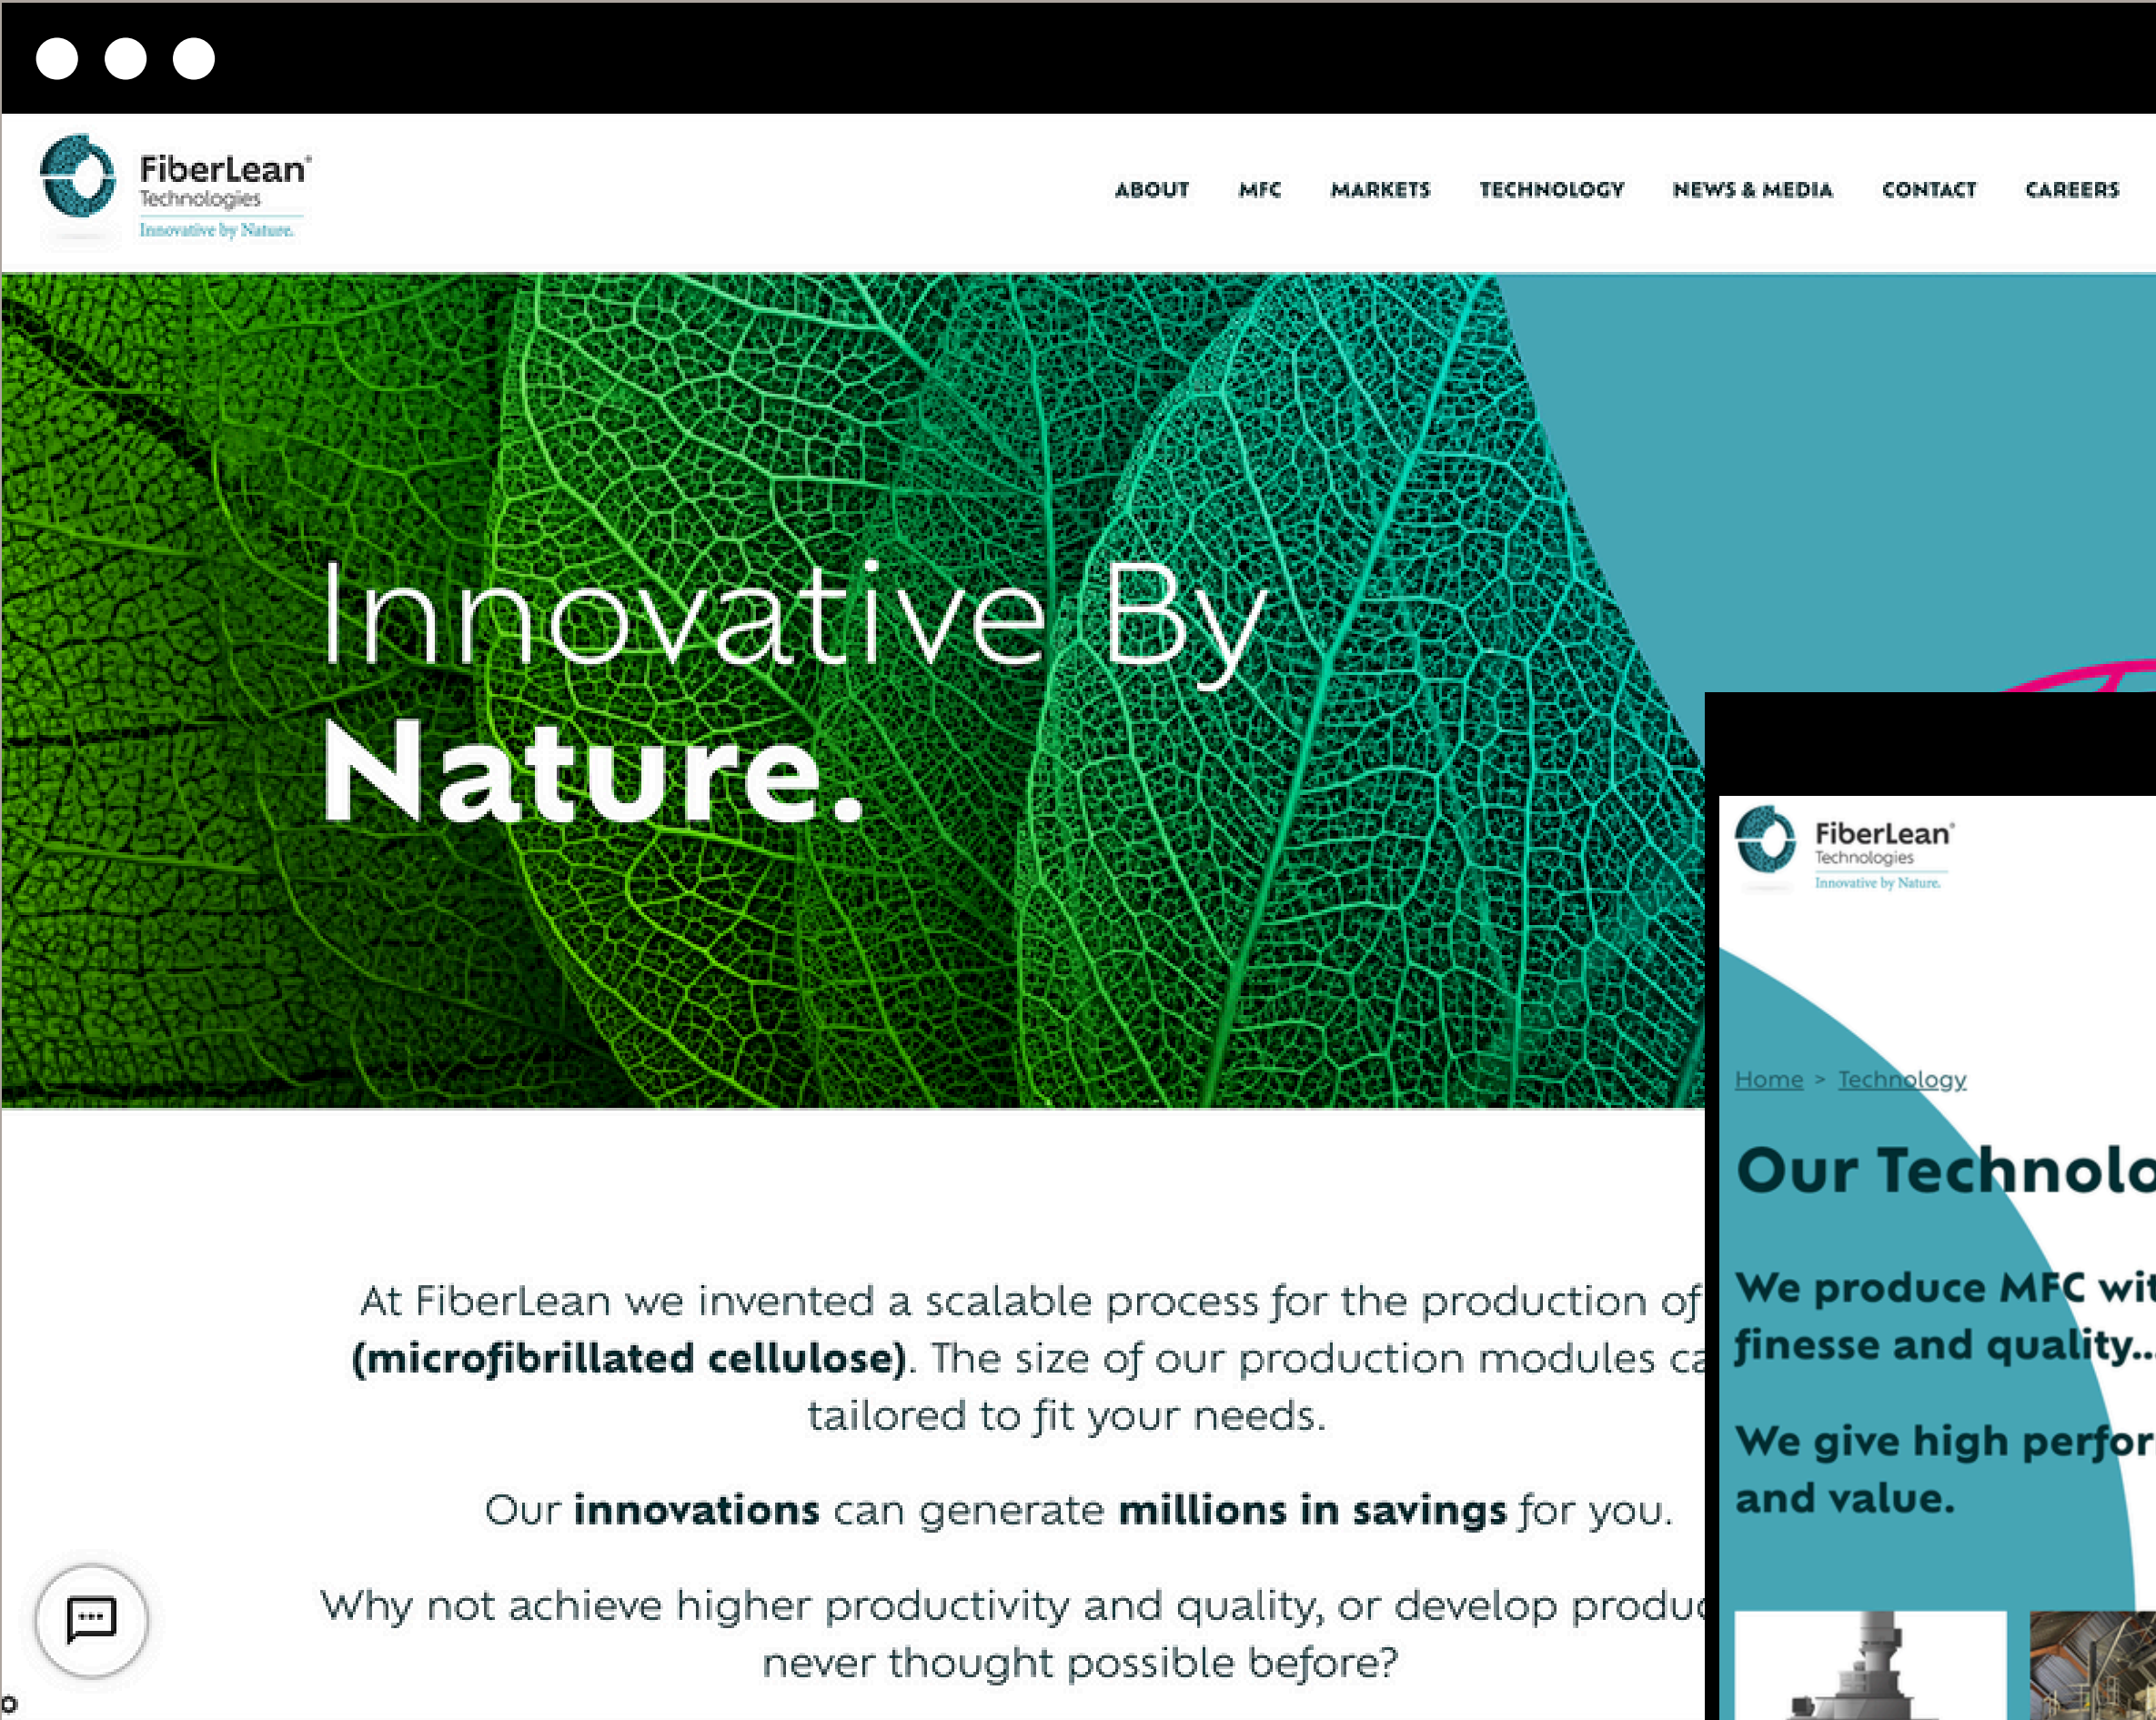

BIGFORK

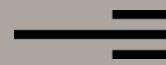

FIBERLEAN

Brochure website to showcase Fiberlean’s niche MFC expertise and technology, to a global B2B audience.

BIGFORK

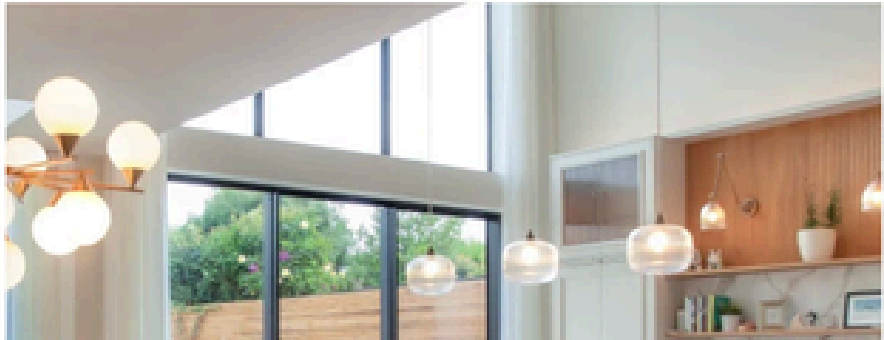

ECOGLASS

High quality glass supplier to UK window manufacturers.

We designed a new website to position them as a premium supplier with a strong focus on sustainability.

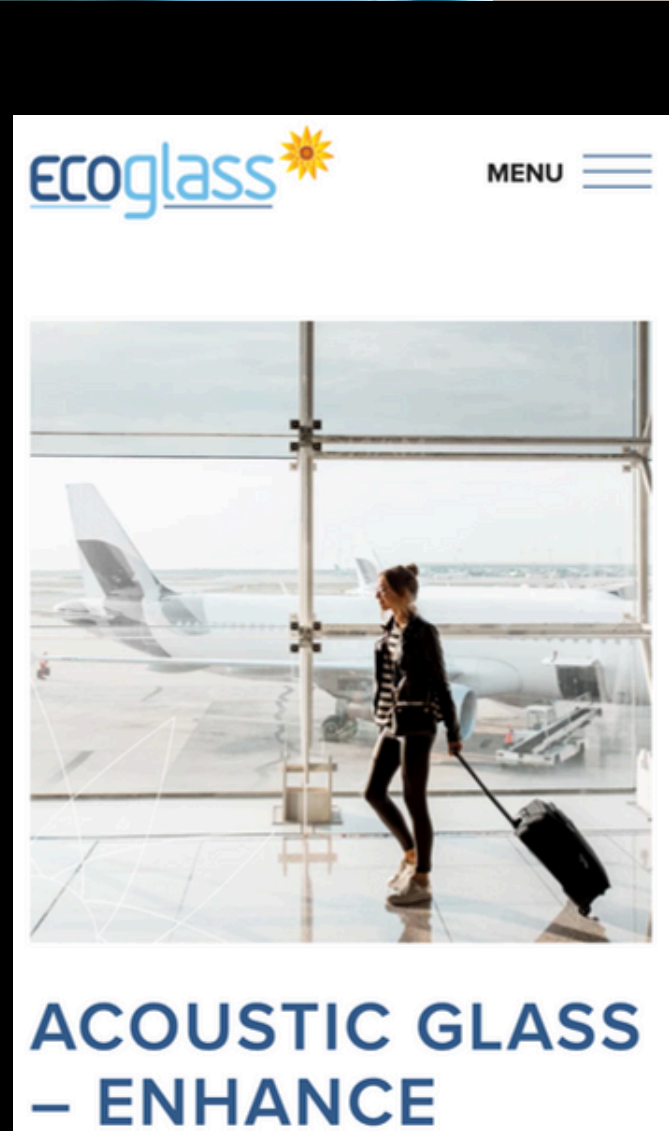

www.ecoglass.co.uk/

BIGFORK

YOUR TRUSTED
GLASS PARTNER

Ecoglass is a family-owned business with over 40 years of experience in the glass industry. Proudly serving the UK with high quality glass products.

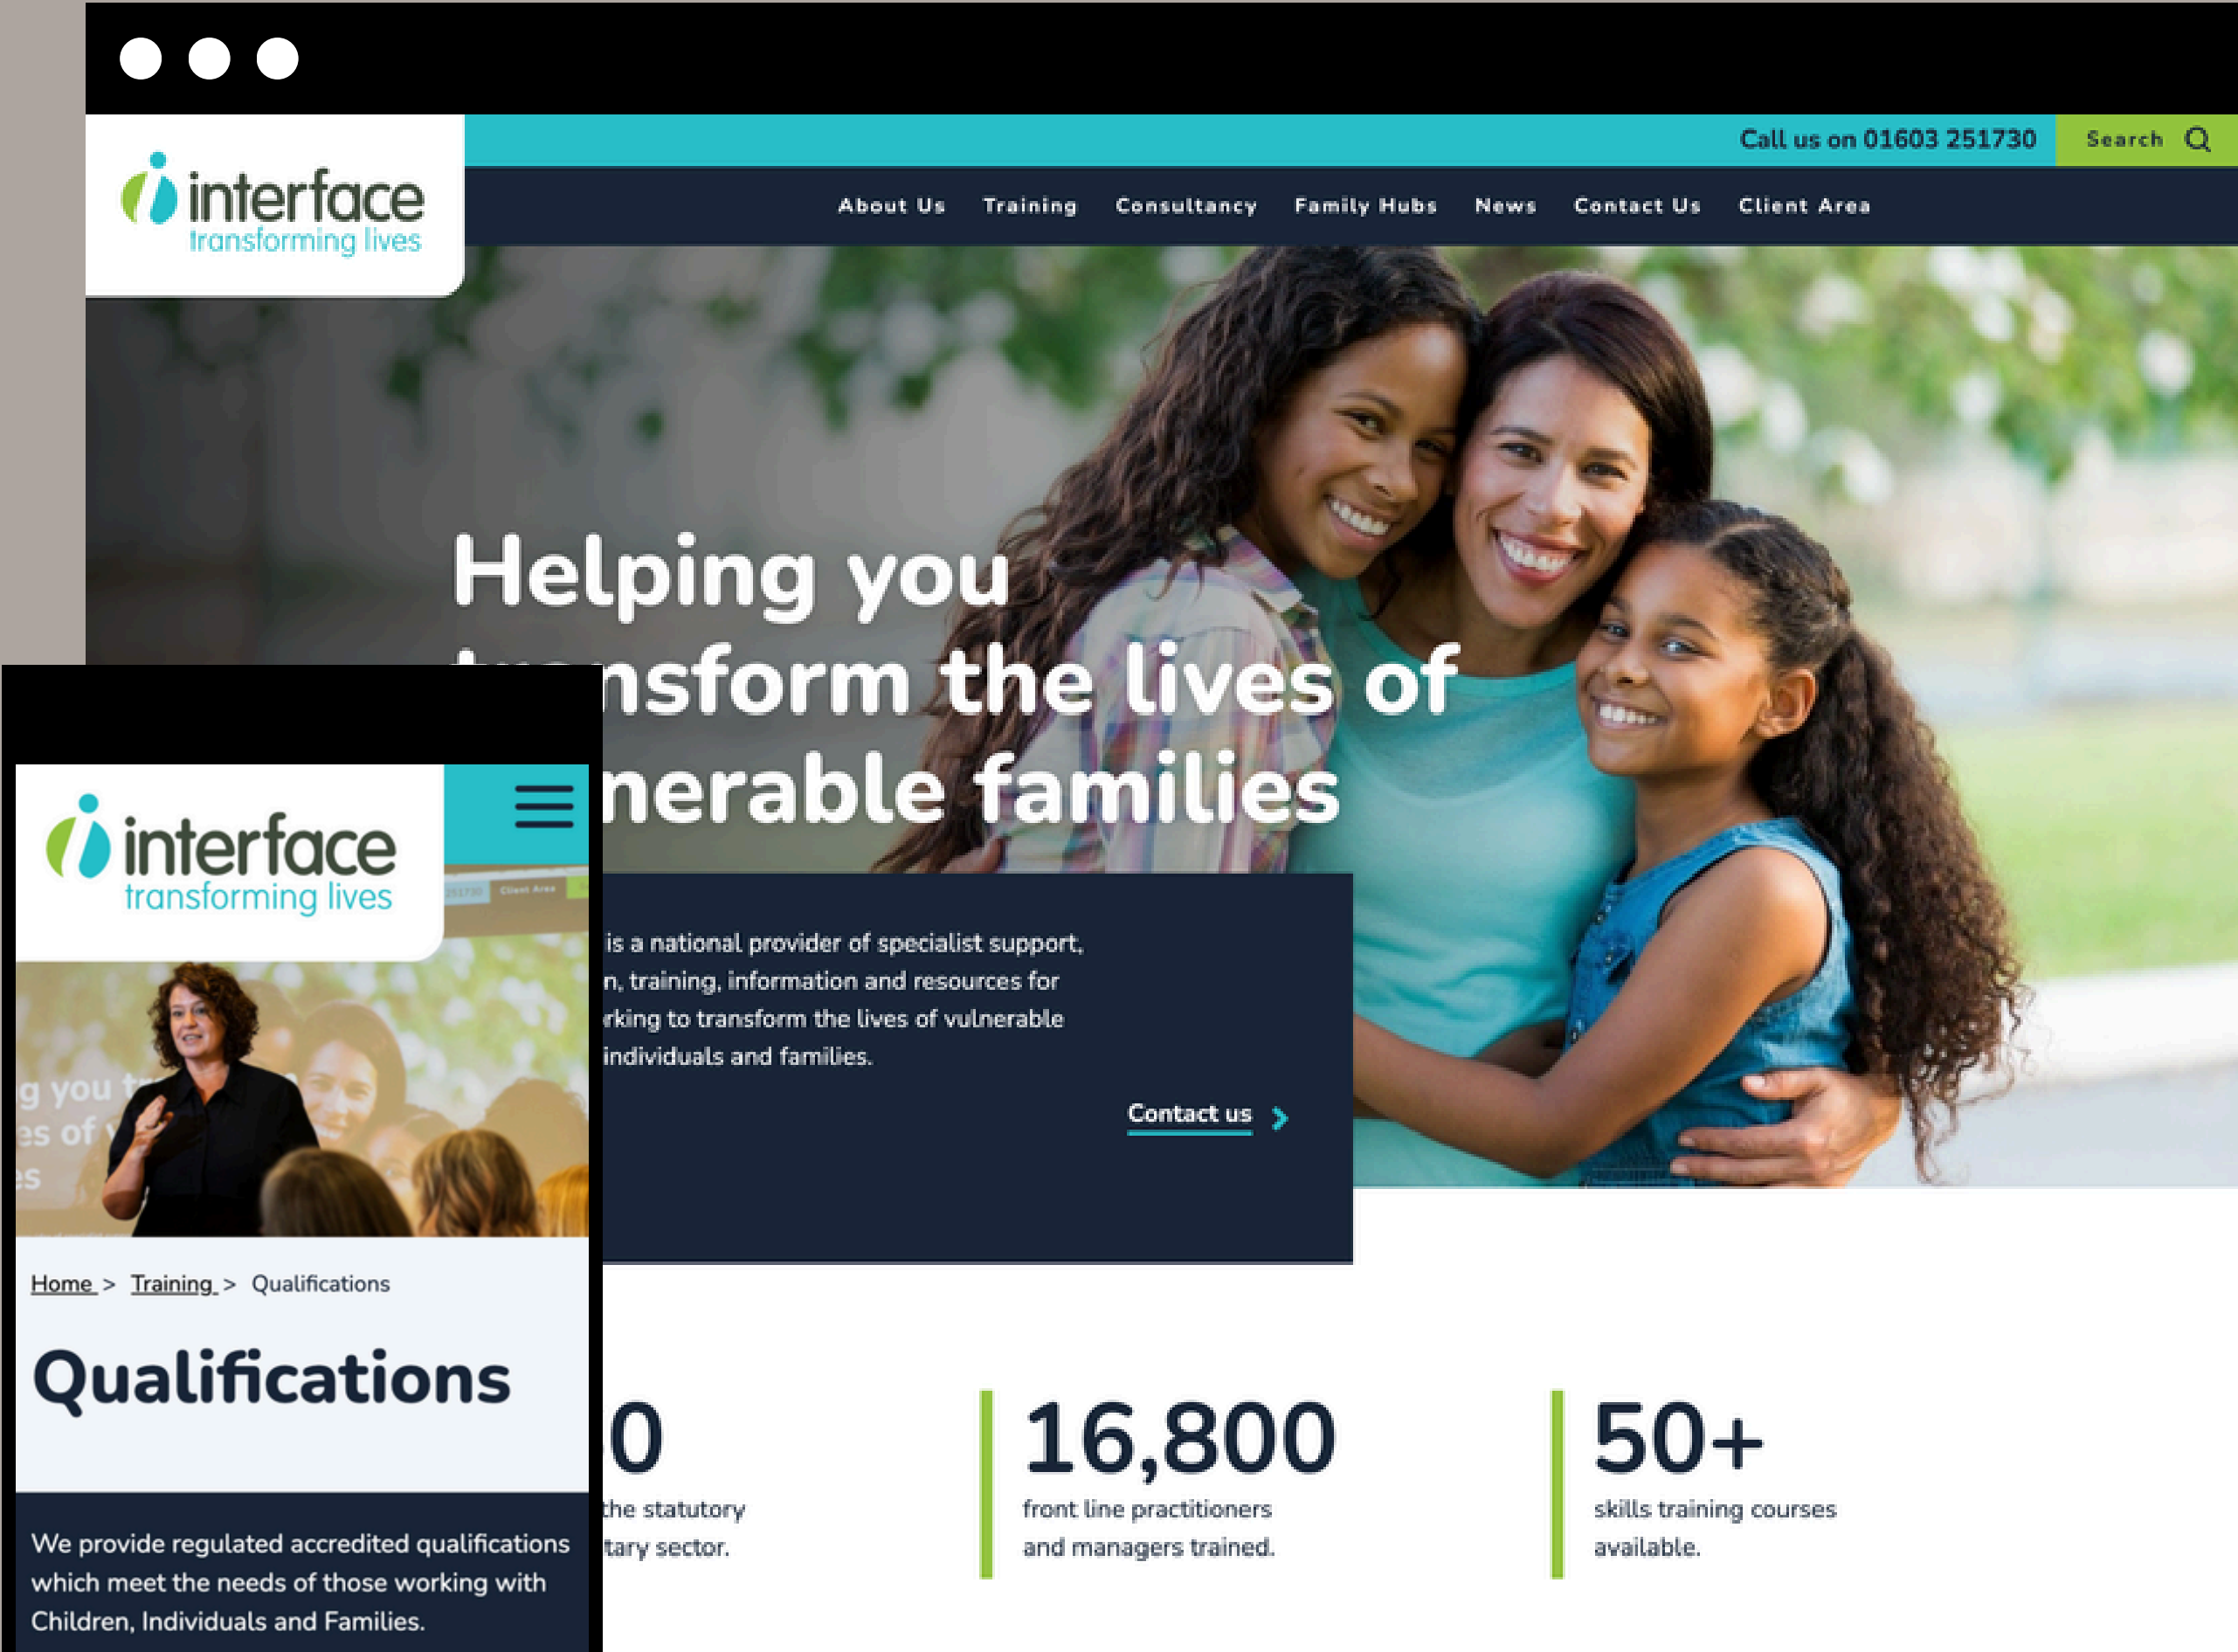

INTERFACE
ENTERPRISES

Training company website enabling customers to easily find, and book the right training course from over 50 available.

www.interfaceenterprises.co.uk/

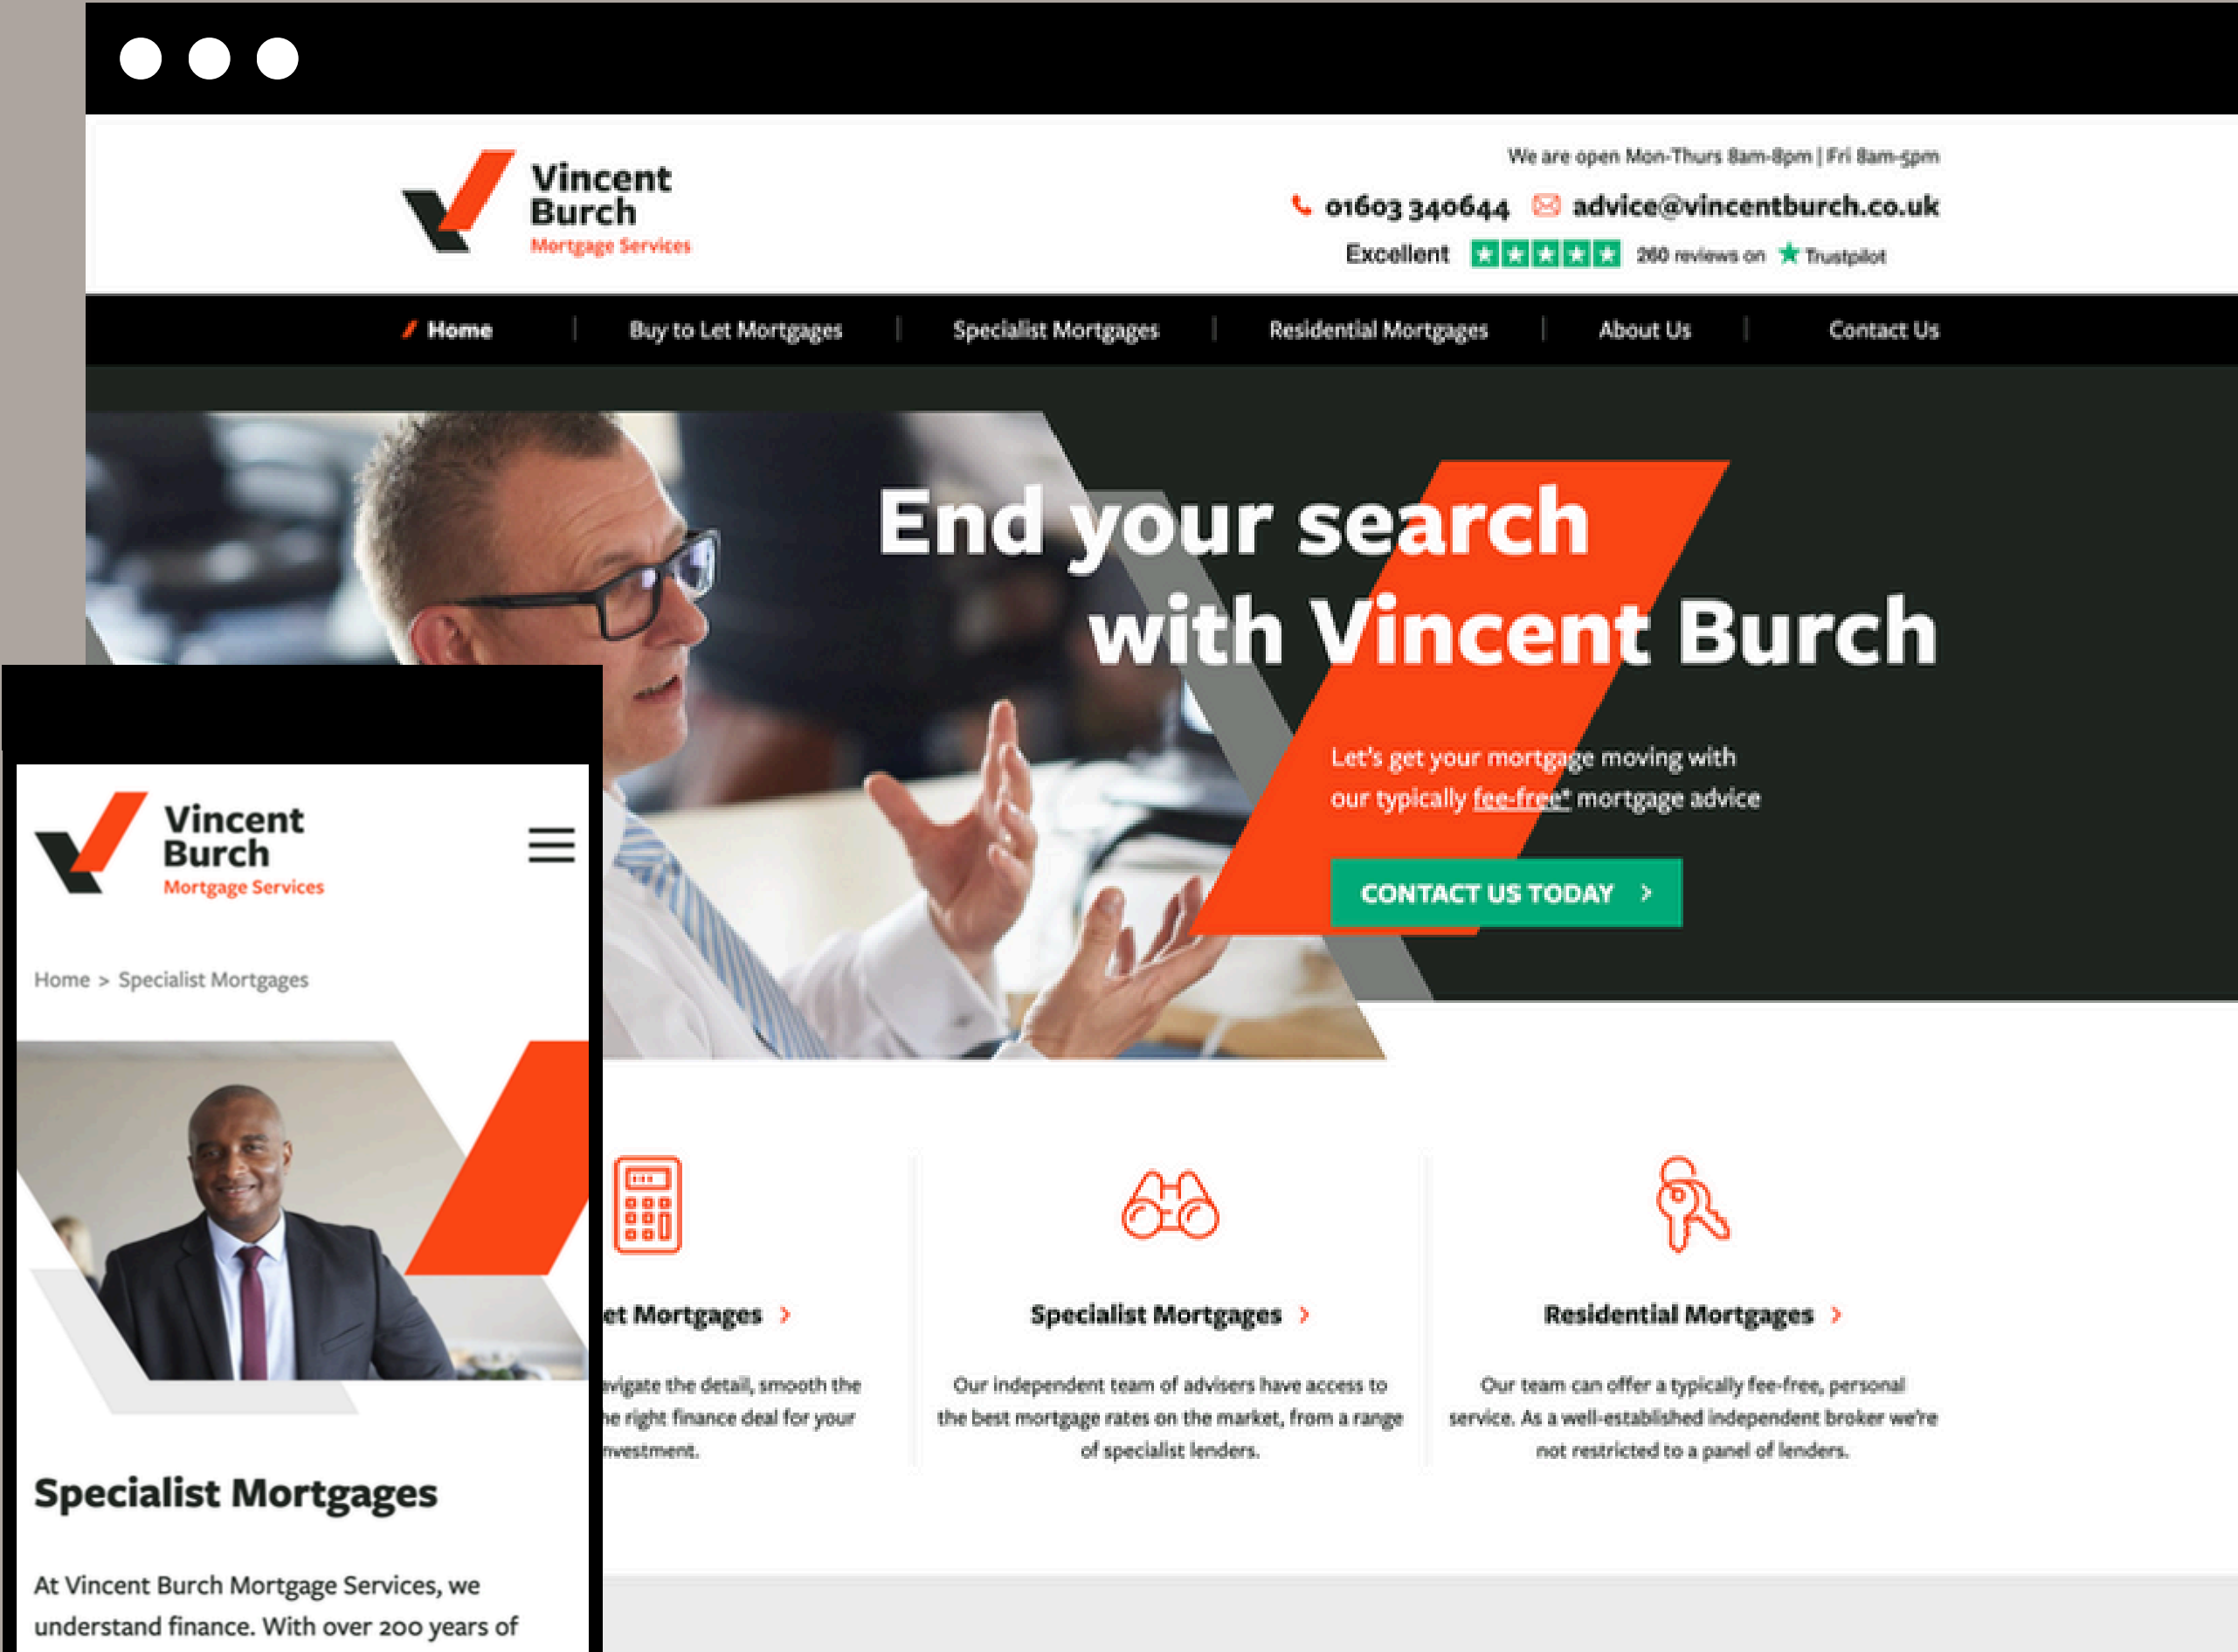

VINCENT
BURCH
